Buy now for smooth charging and dependable performance in South Africa.

Overview Summary

Product: Goobay 77743 White USB-C Silicone 1.5m Cable

The Goobay USB-C Cable 77743 is a durable silicone covered cable offering USB-C to USB-C connectivity for charging and data transfer. Designed for up to 60 W charging via Power Delivery and Hi-Speed USB 2.0 data at 480 Mbps, it blends flexibility with everyday reliability. The soft, flexible silicone sheath resists tangles and resists cable stress, while easy cleaning and included cable ties help keep your workspace neat. This cable fits smartphones, tablets, laptops, accessories and more for versatile daily use. The 1.5 m length gives extended reach for desks, workstations or charging around the home or office. Buy this cables now and enjoy smooth charging and data sync.

Performance tier: Mid-range utility cable

Uses: Charging, data transfer, device sync, mobile devices, laptops, accessories

Description

The Goobay 77743 White USB-C Silicone 1.5m Cable is built with a soft silicone jacket that provides a tangle resistant, smooth feel while protecting the internal wiring from everyday bending stress. Featuring USB-C male connectors at both ends and support for Power Delivery charging up to 60 W, it is suitable for a wide range of USB-C devices. Data throughput up to 480 Mbps enables seamless file sync between phones, tablets, laptops and other compatible hardware. The generous 1.5 m length offers flexibility around desks, bedside tables or shared charging stations, and the included silicone straps assist with neat storage and transport.

Features

Key features and benefits of the Goobay USB-C Silicone Cable include:

- USB-C to USB-C connectors with USB 2.0 Hi-Speed data up to 480 Mbps for reliable sync and transfer.
- Supports Power Delivery charging up to 60 W for faster charging of phones, tablets and small devices.
- Soft silicone cable jacket resists tangling and improves flexibility for daily handling.
- Included silicone cable ties keep the cable organised for storage or travel.
- Universal compatibility with USB-C equipped devices from mobile phones to laptops and accessories.

FAQ

What devices will this cable work with?

This cable works with a wide range of USB-C enabled devices such as smartphones, tablets, laptops, power banks and other accessories that use USB-C for charging or data transfer.

Does this cable support fast charging?

Yes, the Goobay 77743 supports Power Delivery charging up to 60 W, enabling faster charging when paired with a compatible PD power adapter.

Can this cable transfer data?

Yes, the cable supports USB 2.0 Hi-Speed data transfer up to 480 Mbps for syncing files between devices.

Is the cable durable for daily use?

The silicone jacket offers flexibility and tangle resistance to endure everyday use, while included cable ties help reduce wear during storage.

Is the cable safe for laptops and larger devices?

It is suitable for charging and syncing many laptops and tablets that accept USB-C charging, though data speeds and power delivery will follow the USB 2.0 and 60 W specifications.
