Product Overview

Goobay Pink USB-C Silicone 1.5m Cable

Specifications

About this product

The Goobay 77746 Pink USB-C Silicone 1.5m Cable delivers reliable fast charging and stable data transfer with up to 60 W Power Delivery support and USB 2.0 speeds. Designed with a soft, flexible silicone jacket that resists tangling and wear, this durable USB-C to USB-C cable is ideal for everyday use at home, office, or on the go. Buy now from our website for a premium charging solution with long-lasting performance.

Overview Summary

Goobay 77746 USB-C Silicone Charging Cable 1.5m - Pink

This high-quality USB-C to USB-C cable is built for fast charging and dependable data transfer. With support for Power Delivery up to 60 W, it efficiently powers smartphones, tablets, laptops, and other USB-C devices. The soft silicone outer layer enhances flexibility while preventing tangles and cable damage during frequent use.

The 1.5 m length provides convenient reach for charging at desks, bedside setups, or while traveling. Its durable construction includes reinforced connectors with bend protection on both ends, ensuring long-term reliability. The smooth silicone surface is also easy to clean, making it a practical and stylish accessory for modern devices.

Performance tier: Mid-range

Uses:smartphone charging, tablet charging, laptop charging, data transfer, office use, travel charging

Description

The Goobay 77746 USB-C Silicone Cable is engineered for users who require both performance and durability in a charging solution. Featuring USB-C connectors on both ends, this cable supports modern devices such as smartphones, tablets, laptops, and gaming accessories. With Power Delivery support up to 60 W, it ensures efficient charging for compatible devices while maintaining stable performance.

The silicone cable design offers superior flexibility compared to standard plastic cables. This soft-touch finish prevents tangling

and reduces stress on the cable during bending or storage. Integrated bend protection at both connectors helps prevent internal wire damage, extending the lifespan of the cable even with daily use.

In addition to charging, the cable supports USB 2.0 data transfer speeds of up to 480 Mbps, making it suitable for syncing files, transferring media, and connecting peripherals. Its 1.5 m length provides practical usability in various environments, whether at a desk, bedside, or while traveling.

Features

The Goobay USB-C Silicone Cable combines durability, flexibility, and performance for everyday use.

- Supports fast charging up to 60 W with Power Delivery compatibility
