

783P3AA

HP Poly EncorePro 530 with Quick Disconnect Discreet Headset

Product Overview

HP Poly EncorePro 530 with Quick Disconnect Discreet Headset (for EMEA)

Specifications

Overview:

Unleash your call center productivity with the EncorePro 500 Series headsets for easy connects from home or the office.

Features:

Incredible call clarity

Experience enhanced call clarity with visual and tactile cues for optimal mic boom positioning. Enjoy superior sound quality and clear conversations with our voice-optimized frequency response.

Durable and comfortable

Equip your contact center employees with durable headsets designed for all-day use. Minimize breakages and downtime, saving time and money. And ensure employee comfort and satisfaction with our premium, lightweight design.

Remote firmware and cloud system updates

Never worry about updates, thanks to remote firmware and cloud system updates.

Noise-canceling microphone

Next-generation flexible microphone, with positioning guides, reduces background noise and interference, ensuring fewer missed words and a better caller experience.

Expanded compatibility

Walk away from your desk with a click thanks to Poly Quick Disconnect (QD) technology that works with any Poly QD adapter.

Optimized for communications platforms

An IT manager's dream, this headset was created for communication and is optimized and certified to work with top virtual meeting providers.

Acoustic hearing protection

ComX Computers

Product Specification Sheet

SoundGuard is the acoustic limiting technology that is present in all communications headsets from Poly that protects against Acoustic Shock by limiting sounds to below 118dBA.

Recessed buttons

Eliminate button-pushing mistakes with recessed buttons that don't get accidentally activated.

Single button for joint audio/video hold

Enjoy worry-free privacy and peace of mind with a single button for joint audio and video hold.

Improved cable durability

Take your headset anywhere without worrying about breaks, thanks to durable cable construction.

Poly Quick Disconnect technology

Walk away from your desk with a click thanks to Poly Quick Disconnect technology.
