### HP M611dn A4 LaserJet Enterprise USB and Ethernet Mono Laser Printer

#### Product Overview

HP LaserJet Enterprise M611dn Mono Laser Printer - Print Size A4, Functions Print Only, Print Speed Up to 61ppm, Print Resolution Up to 1200 x 1200 dpi, Memory 512MB RAM, Duplex Printing Automatic, Connectivity 1 x Hi-Speed USB 2.0 Device, 2 x Hi-Speed USB 2.0 Host, Gigabit Ethernet 10/100/1000T Network, 1 x Hardware Integration Pocket, Paper Handling 550 Sheet Input Tray, 100 Sheet Multipurpose Tray, 4.3-inch Colour Rotating Touchscreen Display, HP ePrint, Apple AirPrint, Google Cloud Print, Mopria-Certified, Recommended Monthly Page Volume 5 000 to 25 000 Pages, Retail Box

#### Specifications

##### About this product

The HP LaserJet Enterprise M611dn is a high performance A4 mono laser printer designed for fast, reliable business printing with advanced security and efficient workflow support. Buy now for quick delivery in South Africa and improve office productivity with print speeds up to 61ppm, automatic duplex printing, and enterprise level network connectivity for demanding work environments.

##### Overview Summary

**HP LaserJet Enterprise M611dn Mono Laser Printer** is a powerful enterprise grade printing solution built for high volume office environments that require speed, reliability, and security. It delivers professional quality monochrome prints with sharp

text and consistent output.

This printer supports fast print speeds of up to 61 pages per minute and includes automatic duplex printing to reduce paper usage. With Gigabit Ethernet connectivity and multiple USB interfaces, it integrates easily into business networks while supporting mobile and cloud printing solutions for flexible workflows.

Designed for medium to large businesses, it features a 4.3-inch colour rotating touchscreen for easy control and HP enterprise security features to help protect sensitive documents and network access.

**Performance tier:**Enterprise high volume

**Uses:**Office document printing, bulk report printing, invoices, administrative paperwork, corporate workflows

## Overview

HP LaserJet Enterprise M611dn - High-Volume Mono Powerhouse Delivers blistering 61 ppm A4 speeds (up to 1200x1200 dpi) with automatic duplexing, 5.1-sec first-page-out, and 512 MB RAM for demanding offices handling 5,000-25,000 pages monthly (275,000 duty cycle). 650-sheet capacity (550-sheet tray + 100-sheet multipurpose), Gigabit Ethernet, USB 2.0, and mobile support (AirPrint, Mopria) via intuitive 4.3" rotating color touchscreen streamline workflows. Enterprise security and JetIntelligence toner ensure reliable, energy-efficient performance for workgroups.

## Description

The HP LaserJet Enterprise M611dn is engineered for demanding office environments that require fast, high volume monochrome printing with minimal downtime. Built with enterprise level reliability, it supports consistent output for large workloads while maintaining sharp text quality suitable for professional documents.

With its advanced paper handling system, including a 550 sheet input tray and 100 sheet multipurpose tray, this printer reduces interruptions and supports continuous workflow efficiency. The automatic duplex printing function further improves productivity by enabling double sided printing without manual intervention.

Designed for modern business networks, it includes Gigabit Ethernet connectivity and multiple USB ports, making it easy to integrate into shared office environments. The intuitive 4.3-inch touchscreen display provides simple access to settings, monitoring, and configuration options.

## Features

The HP LaserJet Enterprise M611dn is built for speed, security, and efficiency in professional environments.

- High speed printing up to 61ppm for large document workloads
- Automatic duplex printing for double sided output and paper savings
- Enterprise grade security features for protected printing environments
- Gigabit Ethernet for fast and stable network connectivity
- 4.3-inch colour rotating touchscreen for easy device control
- Multiple USB ports including Hi-Speed USB 2.0 device and host connections
- 550 sheet input tray plus 100 sheet multipurpose tray for extended printing
- Supports mobile printing including HP ePrint, AirPrint, and Mopria

## What's in the Box

- HP LaserJet Enterprise M611dn printer unit
- Power cable
- Setup documentation
- Toner cartridge (pre-installed or starter cartridge depending on shipment)
- Warranty and support information

FAQ

Is the HP LaserJet Enterprise M611dn suitable for high volume printing?

Yes, it is designed for enterprise environments with a recommended monthly volume of 5000 to 25000 pages, making it ideal for heavy office workloads.

Does this printer support automatic double sided printing?

Yes, the M611dn includes automatic duplex printing to help reduce paper usage and improve efficiency.

Can this printer connect to a network?

Yes, it supports Gigabit Ethernet connectivity for fast and stable network integration in office environments.

Does it support mobile printing?

Yes, it supports HP ePrint, Apple AirPrint, and Mopria certified mobile printing solutions.

## What type of printing does this device support?

This is a mono laser printer that prints in black and white only, designed for professional document output.
