Microsoft Comfort Curve Desktop 3000 Keyboard & Mouse

Product Overview

Microsoft Comfort Curve Desktop 3000 Keyboard & Mouse - Business Pack

Specifications

Overview:

Designed by ergonomic experts, the slight curve of this keyboard provides a more natural position for your wrists. This is extremely important to help reduce symptoms of repetitive stress injuries. The full-size mouse, with rubber side grips, is also designed to provide comfort in either hand and features customizable buttons for saving time and effort.

Features:

Contour: It's familiar, yet modern
All the keys are the same size and in a familiar place, even with the Comfort Curve. The slim, glossy design saves space and makes a statement on your desktop.

Ergonomist-Approved Comfort Curve Design
The Comfort Curve design from Microsoft encourages natural wrist posture and is easy to use.

Easy-Access Media Keys
Control your music and videos, and open the Calculator with the touch of a key.

Comfortable in Either Hand
Rubber side grips and a contoured shape for either hand.

BlueTrack Technology®
Take advantage of BlueTrack Technology, which combines the power of optical with the precision of laser for remarkable tracking on virtually any surface.

Wired reliability
Designed for trouble-free performance, eliminating the worry of battery life.

Three customizable buttons

Give yourself some shortcuts with three customizable buttons.
