Dell S2340T 23" LED Backlit Multi-Touch Full HD Monitor

## Product Overview

Dell S2340T 23" LED Backlit Multi-Touch Full HD Monitor (1920x1080) HDMI, Display Port South African

## Specifications

**Overview:**

Experience ultimate interactivity that's ideal for Windows 8. The flexible S2340T 58cm (23") multi-touch monitor features 10-point touch and Full HD resolution.

**Features:**

**Touch functionality meets superb design**

- 10-point multi-touch capability1: Scroll, tap, touch and drag tiles - even stretch images with your fingers and turn a multitude of applications into exciting interactive experiences. Play simulated piano keys with each finger on interactive music apps and watch touch games become more thrilling.
- Flexible design: Multiple users can stay comfortable from a variety of positions. Adjust the articulating stand for multitasking, playing interactive games or drawing. Tilt it 10 degrees forward, lean it backward or fold it down for an overhead view.
- Optimal connectivity: Watch movies or connect to a range of peripherals at once with DisplayPort, HDMI, Ethernet and USB

3.02 ports. Transfer files up to 10x faster than USB 2.0. Enable touch on PC devices with a plug- and -play USB cable.

**Bring the cinema home.**

- Have a front-row seat: Savor razor-sharp detail in games, movies and photos with Full HD resolution and our color-boosting Image Enhance feature. Images appear crisp from nearly any angle with ultrawide viewing. A high contrast ratio of 1000:1 (typical) and a megadynamic contrast ratio of 8 million:1 (max.) help deliver exceptional clarity.
- Stay in touch: Videochats with friends and family are easy and effective with an integrated camera and microphone.
- Experience crisp audio: Relish rich movie soundtracks with stereo sound enabled by two powerful 5W speakers.
- Dell Display Manager: Manage monitor settings with this one-stop software hub.
- Auto Mode: Use it to select your optimal preset mode for each application, including color settings.
- One cable USB solution: Conveniently hook up the USB cable to any of your PC devices via USB 3.0 port to enable touch, graphics, audio, Ethernet, webcam capabilities on your S2340T monitor.
- PowerNap: Engage PowerNap to help reduce power consumption by dimming the monitor or by putting it into sleep mode when not in use.
