Lexmark 85D0HM0 Magenta Laser Toner Cartridge

Product Overview

Lexmark 85D0HM0 Magenta Laser Toner Cartridge, 16500 pages yield, Compatible with --> CX930dse / CX931dse printers

Specifications

Overview Summary:

The Lexmark 85D0HM0 magenta toner cartridge is engineered for reliable, high-volume colour printing, delivering up to 16,500 pages of consistent output. Designed specifically for Lexmark CX930dse and CX931dse printers, it ensures sharp colour accuracy and professional-quality documents every time. Its high yield makes it a cost-effective choice for busy offices that demand efficiency and performance.

Built with precision and backed by Lexmark's quality standards, this toner cartridge is ideal for businesses that require dependable printing without interruptions. Whether you're producing reports, marketing materials, or everyday documents, this cartridge delivers vibrant magenta tones with every print. Buy now and keep your printing workflow running smoothly.

Performance tier:High-yield business class

Uses:office printing, colour document production, marketing materials, reports, high-volume printing

Overview:

High Yield Magenta Toner for Lexmark CX930 and CX931 Series

Designed for consistent color output and dependable performance, the Lexmark 85D0HM0 magenta toner cartridge delivers professional-quality prints for business environments that rely on precision and efficiency. Built for seamless compatibility with CX930dse and CX931dse printers, this cartridge ensures accurate color reproduction and smooth operation across large print volumes. With a high page yield, it supports demanding workflows while helping reduce interruptions and replacement frequency.

Description:

The Lexmark 85D0HM0 magenta toner cartridge is engineered to produce vibrant, consistent color prints with a yield of up to 16500 pages. It is optimized for Lexmark CX930dse and CX931dse printers, ensuring reliable compatibility and minimal

maintenance issues. Ideal for office environments that require high-volume color printing, it balances efficiency, quality, and cost control. Its compact packaging and manageable weight make installation straightforward, while the ReSource program support aligns with sustainability goals.

Features:

Reliable Output for High Volume Printing

This cartridge is built to maintain color accuracy from the first page to the last. Businesses that rely on presentations, reports, and marketing materials benefit from stable magenta tones without fading or inconsistency. The high yield of 16500 pages reduces downtime, making it suitable for busy office environments where productivity is critical.

Compatible Printers

- Lexmark CX930dse
- Lexmark CX931dse

Key Technical Details

- Part number / SKU: 85D0HM0
- Print technology: Colour laser
- Page yield: up to 16500 pages
- Packaged dimensions: 92 x 81 x 468 mm
- Packaged weight: 0.7 kg
- UNSPSC code: 44103105
- Country of origin: Japan
- ReSource program support: Yes

Efficient and Easy to Manage

The cartridge is designed for straightforward installation and consistent operation within supported Lexmark devices. Its packaging dimensions and weight allow for easy handling and storage, while the integrated design minimizes the risk of leaks or print defects.

Sustainable Printing Support

Participation in the Lexmark ReSource program helps organizations align with environmental initiatives by enabling responsible recycling and reuse processes. This adds value for companies prioritizing sustainability alongside performance.

Why Choose This Toner Cartridge

- High page yield reduces replacement frequency and operational interruptions
- Optimized compatibility ensures smooth printer performance
- Consistent magenta output supports professional-quality documents
- Designed for business environments with demanding print volumes

For organizations using Lexmark CX930dse or CX931dse printers, the 85D0HM0 cartridge provides a practical balance of reliability, output quality, and efficiency.
