Specifications

About this product

The Lenovo A7-30 Folio Case and Film in blue is designed to protect your Lenovo A7-30 tablet with a protective folio cover and anti-scratch screen film. Its soft lining helps protect the screen, while the folio design can be folded into two viewing positions. Buy now from our website for practical tablet protection and everyday use.

Overview Summary

Lenovo A7-30 Folio Case and Film - Blue is a protective accessory set designed specifically for the Lenovo A7-30 tablet. The folio case provides protection for the tablet body and screen, while the included protective film helps protect the display surface from scratches.

The case uses a soft lining and a bonded rear cover for comprehensive everyday protection. Its two-way folding design allows the tablet to be positioned at different viewing angles, making it suitable for browsing, reading, media viewing and general tablet use.

Performance tier: Protective tablet accessory

Uses: Tablet protection, screen protection, reading, browsing, media viewing, everyday tablet use

Description

The Lenovo A7-30 Folio Case and Film is a dedicated protective accessory for the Lenovo A7-30 tablet. The blue folio case is designed to provide protection for the tablet while maintaining convenient access for everyday use.

A soft lining helps provide protection around the screen area, while the rear cover is bonded using ultrasonic technology. This construction is designed to provide comprehensive protection for the tablet during normal handling and use.

The folio case supports two folding positions, allowing the Lenovo A7-30 to be viewed from different angles. This makes the case useful for activities such as reading, browsing websites and viewing media.

ComX Computers

Product Specification Sheet

The included high-quality protective film is designed to help protect the tablet screen against scratches. Together, the folio case and screen film provide a practical protection solution for compatible Lenovo A7-30 tablets.
