RING - Solar Panel V4-Black

Product Overview

RING - Solar Panel V4-Black

Specifications

Overview:

Install this Ring solar panel with your Ring security system (not included), and enjoy continuous monitoring without having to replace batteries. The compact white panel matches your system or your exterior paint to provide convenient placement that doesn't draw attention. This Ring solar panel powers your security camera setup on just a few hours of sunlight each day.

Features:

Works with Ring Spotlight camera
This Spotlight solar panel is designed exclusively for charging Ring Spotlight camera battery.

Nonstop solar power
With just a few hours of direct sunlight every day, your Spotlight camera will stay charged around the clock.

Simple installation
Includes a free tool kit and micro USB cable, so you can set up everything in just a few minutes.

Stay on top of local crime
Ring Neighborhoods lets you receive real-time crime alerts from your neighbors, so you can all work together to make your community a safer place.
