Port Connect 65W Notebooks Adapter - Dell

Product Overview

Port Connect 65W Notebooks Adapter - Dell

Specifications

Overview:

The Port Connect Universal Notebook Adapter can power and charge most brands of laptops on the market. This model is designed specifically for Dell laptops up to 15.6´´ in size. The Port Connect notebook adapter can keep your devices fully charged with ease when away from home or at the office. It comes in an ABS and PCBA designed casing that keeps the internals protected during usage. It outputs 65W of power making it ideal for laptops up to 15.6´´.

Port Connect universal power supplies automatically adapt to the power of your laptop to power and charge it. They also incorporate protection against overvoltage for increased safety. Check the power required by your machine by consulting its technical specifications: The 65W notebook adapter will automatically adapt to lower power laptops.

Features:

- For 65W notebooks and lower power
- Compatible with most Notebooks up to 15.6´´
- ABS and PCBA construction
- Adaptable output power & over-voltage protection
- Compatible with Dell Laptops
