Port Connect Cable Management for Mouse and Keyboard

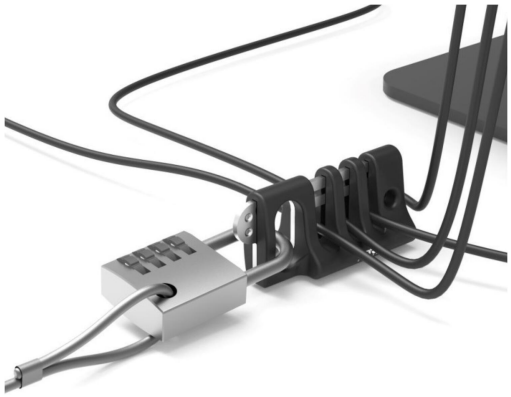

Product Overview

Port 901243 Connect Cable Management for Mouse and Keyboard, Up to 3 PC accessory cables, High adhesion, Durable Aluminium shear

Specifications

Overview Summary:

Port Connect 901243 Cable Manager is a simple yet effective desktop accessory that keeps your workspace tidy by managing up to three PC accessory cables such as mouse, keyboard and webcam leads. Designed with high-adhesion fixation and a compact aluminium build, it stays securely in place on any flat surface and helps free up valuable desk space. Buy now and enjoy a more organised and clutter-free workstation that enhances productivity every day.

This cable organiser is robust and durable, fitting neatly into small workstations without taking up much room. Shop now to optimise your desk layout and keep cords neat and orderly with minimal effort.

Performance tier: Basic productivity accessory

Uses:cable organisation, desk tidying, workspace optimisation, PC accessory management

Overview:

Keep Your Workspace Organized with Desktop Cable Management
Maximize your desk efficiency and maintain a tidy workspace with the PORT 901243 Connect Cable Management system. Designed for professionals and home users alike, this sleek solution manages multiple accessory cables while adding a touch of durability and reliability to your workstation. Its compact size and strong adhesion make it ideal for both limited and spacious desk setups, keeping your PC peripherals secure and accessible.

Description:

The PORT 901243 Connect Cable Management system allows users to organize up to three PC accessory cables, including mouse, keyboard, and webcam wires. Built with durable aluminum shear, it offers high adhesion to any flat surface, ensuring stability while saving space on your desk. Its compact design does not interfere with your workstation setup and comes with dedicated slots to secure devices using security cables and locks. Perfect for keeping your workspace efficient, tidy, and professional.

Features:

Efficient Workspace Management
Keep your desktop clutter-free effortlessly. This cable organizer is designed to handle multiple accessory cables simultaneously, reducing tangles and freeing up desk space. Its small footprint ensures it can fit into compact areas without compromising organization.

Secure and Reliable
Protect your equipment and data with built-in options for locking devices using dedicated security slots. The adhesive base keeps the organizer firmly in place, providing peace of mind while working or gaming.

Durable and Long-Lasting Design
Crafted from robust aluminum shear, this cable manager is built to withstand daily use without bending or breaking. Its quality materials guarantee stability and a professional look over time.

Technical Highlights

- Manages up to 3 PC accessory cables including mouse, keyboard, and webcam
- Strong adhesion on any flat surface
- Compact size to save desk space

- Slots for security cables and padlocks
- Constructed from durable aluminum shear for long-lasting use

With the PORT 901243 Connect Cable Management system, you can enjoy a cleaner, more organized desk while keeping your essential devices secure and easily accessible.
