Specifications

Features:

- Design in every detail: Show your style and sense with a bold cyber-text pattern, dramatic slash aesthetic and German-made Fidlock SNAP mechanical fastener.
- Storage expectations, expanded: Capacious 17L interior for easy transport of an up to 15.6" notebook, plus multiple interior and exterior compartments to carry everything you need.
- Cool, adjustable comfort: Extensive backrest mesh creates cooling air pocket, plus an adjustable chest strap prevents slippage and keeps the backpack secure.
- Charge-cable zipper: Dedicated short fastener enables quick access to a charging cable attached to your power bank of choice.
- Fit for all conditions: Made with Water-repellent and scratch-resistant 1680D leatherette and polyurethane, and water-repellant zippers, for versatile real-world protection.
- Built-in luggage strap: Quick-fix design makes it easy to secure Ranger BP2500 to other travel cases.

Durable, Practical Style
ROG Ranger BP2500 Gaming Backpack is a modish laptop carry case embellished with futuristic cyber-text patterns and a dramatic slash that looks like it might have been made by a Japanese Bushido samurai blade. Ranger BP2500 is made of high-strength 1680D polyester that's resistant to scratches, water and tears; and its front is finished with smooth, water-repellant leatherette. A fashionable Fidlock SNAP magnetic fastener makes quick work of securing the included front pocket - so Ranger BP2500 is ready to roll anytime you are.

Expand Your Storage Expectations
ROG Ranger BP2500 Gaming Backpack offers a 17-liter storage capacity and great flexibility. Along with a large, padded pouch that accommodates up to a 15.6-inch laptop there are 11 interior pockets for snug transport of everything from a mouse and headset to keys, pens and a power bank. There's even a pocket for modern large-screen smartphones of up to 6.2 inches.

Cool, Adjustable and Secure Comfort
With a back support formed from high-quality memory foam, Ranger BP2500 molds comfortably to your natural posture. Hexagonal mesh helps keep you cool by allowing air to flow freely, and side-mounted collars limit wiggles and wobbles as you

walk. Adjustable padded shoulder straps easily couple with a chest strap to ensure a perfect and secure fit.

Designed for Daily Convenience
Ranger BP2500 has a dedicated internal pocket for a power bank, with a corresponding external zipper for easy access to the charging cable. A built-in luggage strap adds another layer of everyday convenience, enabling you to quickly secure Ranger BP2500 to another case or luggage trolley.
