Features:

ROG RANGER CARRY SLEEVE 15.6
Sleek. Elegant. Stylish. When it comes to gear, ROG never settles for less than the best. The ROG Ranger Carry sleeve protects your highest-end hardware with a durable, water-repellent design. Versatile and multifunctional, it can be worn in three different ways thanks to a detachable strap and convenient pockets that make traveling with all your accessories easier.

TRENDY STYLE
Monochromatic blacks let the ROG Ranger Carry sleeve fit in anywhere, while a refined use of multiple textures, high-end materials, and bold white accents give it singular style. From a peek of translucent material, to etched metal zippers, to a woven strap that's textured for easy carrying, details down to the last stitch set this sleeve apart from the rest.

DEEP VERSATILITY
Form meets function in every thoughtful detail. A detachable strap lets you carry your sleeve in 3 different ways for everyday convenience. Stay light and use the bag as a solo carrier for all your essentials, or go strapless to slip it securely into any bag. The zipper features wide, broad teeth that make it easy to grab your items and go.

RESILIENCE, REFIND

High-end hardware deserves high-quality protection. Designed for daily use, the ROG Ranger Carry sleeve is crafted from multi-layered fabrics, coated with 600D polyester and PE foam, and is sealed with a waterproof zipper to prevent damage from everyday scuffs and other accidents in rain or shine.

EVERYDAY CONVENIENCE
Built-in pockets make it easy to bring your favorite accessories with you everywhere. An inner pocket keeps your laptop and documents separate, while a rear pocket features a snag-free velcro hook for easy access to essentials. Stealthy hidden pockets also make it safer to transport valuable gear as you travel.
