Features:

TAKE YOUR PRESENTATIONS TO THE NEXT LEVEL
Spotlight is a whole new standard in presentation control - specifically designed to keep people engaged. From the boardroom, classroom or living room, you can control your presentation while helping your audience follow what youre saying whether theyre in-person, virtual, or a hybrid of both.

ILLUMINATE EVERY POINT YOU MAKE
Spotlight has three advanced pointing modes Enabled via Logitech Presentation App that work on various presentation environments: projectors, TV screens, video conferencing and setups with multiple screens. Highlight creates a spotlight-effect on screen. Magnify zooms-in on details. And Digital Laser precisely pinpoints information.

INTUITIVE SLIDE NAVIGATION
Enjoy focus and instant familiarity with Spotlights intuitive three-button interface.

LONG OPERATING RANGE
Move and present freely from as far as 30 m away May vary based on environmental and computing conditions.

BROAD COMPATIBILITY
Use Spotlight on Windows and macOS platforms; Powerpoint, Keynote, Acrobat, Google Slide and Prezi presentations; as well as Zoom, Microsoft Teams, and Blue Jeans video conferencing apps.

TWO WAYS TO CONNECT
Plug-and-play Spotlight instantly on any compatible computer via USB receiver, or connect withBluetooth low energy wireless technology. Spotlight also keeps your computer connected and awake while you present.

FAST RECHARGING

Use the included USB-C charging cable and get 3 hours of presenting after a 1-minute charge. Spotlight fully charges in as little as 60 minutes. The device will vibrate and the battery indicator glows red when its time to recharge.

SOFTWARE & CUSTOM CONTROLS
Choose from a range of custom controls to suit each presentation. Use the app to configure Spotlights highlighting features, button functions, gesture controls, volume adjustment, and more.

SMART TIME MANAGEMENT
Use the app to set an on-screen timer that begins as you click your first slide. You can also configure multiple timing milestones that send vibration alerts directly to Spotlight so you stay in command until your final slide.
