Specifications

About this product

The Logitech Pebble2 Wireless Mouse delivers quiet, precise control in a slim, travel-friendly design. Featuring Bluetooth Low Energy connectivity, high-precision optical tracking at 1000 dpi, and multi-device Easy-Switch support, it is built for efficient everyday productivity across compatible devices.

Overview Summary

Logitech Pebble2 Wireless Bluetooth Mouse

The Logitech Pebble2 Wireless Mouse is designed for users who value portability, simplicity, and reliable wireless performance. With Bluetooth Low Energy technology and compatibility with the Logi Bolt receiver (not included), it provides stable connectivity up to 10 m while reducing power consumption.

Its high-precision optical sensor delivers consistent cursor control at a nominal 1000 dpi, making it suitable for everyday work, study, and casual use. The mouse supports up to 3 Easy-Switch Bluetooth channels, allowing seamless switching between multiple devices, while button customization through the Logi Options+ app enhances workflow efficiency.

Performance tier: Entry-level productivity

Uses: Office work, remote work, studying, travel, everyday computing

Overview

Logitech Pebble Mouse 2 M350s: Silent, Colorful Bluetooth Mouse Ambidextrous, slim round design (106.7x58.7x26.6mm, 76g) with 50%+ recycled plastic in vibrant colors-ultra-portable for bag-toss mobility. 3-device Easy-Switch via Bluetooth (Windows, macOS, iPadOS, Android) or Logi Bolt; Silent Touch cuts 90% click noise, high-precision optical sensor (400-4000 DPI, 100 DPI steps, 1000 default). Customizable middle scroll-wheel button via Logi Options+ app (Win/macOS) for Spotify shuffle, emojis, Smart Actions, copy/paste; 24-month battery (1x AA, on/off), 10m range.

Description

The Logitech Pebble2 Wireless Mouse combines a minimalist form factor with dependable wireless technology to support modern, mobile lifestyles. Its compact and lightweight design allows it to slip easily into a laptop bag or backpack, making it ideal for users who work across multiple locations.

Bluetooth Low Energy connectivity ensures efficient power usage while maintaining a wireless range of up to 10 m. The mouse features three buttons, including left-click, right-click, and a scroll wheel with middle click, delivering intuitive and familiar control. With support for up to three Bluetooth channels, users can quickly switch between devices without re-pairing.

Powered by a single AA alkaline battery, the Logitech Pebble2 is designed for extended use with minimal maintenance. Customizable controls via the Logi Options+ app allow users to tailor button behavior to their preferences, improving productivity and comfort during daily tasks.
