Specifications

About this product

The Logitech Pebble Mouse 2 M350s Tonal Rose (910-007014) is a slim, lightweight Bluetooth wireless mouse designed for comfortable everyday computing, work and study. Featuring Silent Touch Technology for quieter clicking, a customizable middle button and Easy-Switch connectivity for up to 3 devices, this compact mouse combines practical functionality with a stylish rose finish. With precise optical tracking, up to 24 months of battery life and compatibility with Windows, macOS, iPadOS and Android devices, it is ideal for laptops, tablets and mobile workstations. Buy the Logitech Pebble Mouse 2 M350s online today for convenient wireless control and a modern workspace.

Overview Summary

Logitech Pebble Mouse 2 M350s Tonal Rose Bluetooth Wireless Mouse

The Logitech Pebble Mouse 2 M350s is a compact wireless mouse with a minimalist design and a distinctive Tonal Rose finish. Its slim, lightweight construction makes it easy to carry in a laptop bag, making it suitable for professionals, students and users who need reliable mouse control at home, in the office or while travelling.

Silent Touch Technology reduces click noise by up to 90%, helping create a quieter working environment. Bluetooth Low Energy connectivity supports pairing with up to 3 compatible devices, allowing you to switch between computers and tablets using the Easy-Switch button. The customizable middle button can be configured through the Logi Options+ application, while high-precision optical tracking supports accurate everyday navigation. A single AA alkaline battery provides up to 24 months of battery life under specified usage conditions.

Performance tier: Everyday productivity and portable computing

Uses: Office work, studying, laptop navigation, web browsing, tablet control, home computing, travel and everyday productivity

Overview

Pebble Mouse 2 is slim, modern, and portable. Switch between devices easily, enjoy quiet clicks, and customize the middle button. With long battery life and stylish colors, it fits any setup.

Description

The Logitech Pebble Mouse 2 M350s Tonal Rose is designed for users who want a practical wireless mouse with a clean, modern appearance. Its rounded, low-profile shape and lightweight construction make it easy to transport between home, the office, classrooms and shared workspaces. The rose colour adds a distinctive touch to a laptop or desktop setup.

Bluetooth Low Energy connectivity allows the mouse to connect to compatible devices without requiring a USB receiver. The Easy-Switch feature supports pairing with up to 3 devices, making it convenient for users who alternate between a laptop, desktop computer or tablet. A dedicated switching button helps you move between paired devices without repeatedly setting up the connection.

Silent Touch Technology reduces the noise produced by clicking, making the mouse suitable for quiet offices, libraries and study areas. Its high-precision optical tracking provides responsive cursor control for everyday navigation, document editing, browsing and general productivity tasks.

The customizable middle button offers additional functionality through the Logi Options+ application on supported Windows and macOS systems. Depending on the selected configuration, it can be assigned to supported actions that simplify common tasks. The mouse uses one replaceable AA alkaline battery and offers up to 24 months of battery life, helping reduce the frequency of battery changes.

Made with more than 50% recycled plastic in applicable plastic components, the Logitech Pebble Mouse 2 M350s combines portability, everyday convenience and a considered material design. It is a practical choice for students, professionals and

home users looking for a compact Bluetooth mouse.

Features

The Logitech Pebble Mouse 2 M350s combines quiet operation, wireless convenience and customizable controls in a portable design.

- Slim, compact design: The lightweight, low-profile shape is easy to carry with a laptop or tablet.
- Tonal Rose finish: Adds a stylish colour accent to your workspace or mobile setup.
- Bluetooth Low Energy: Connects wirelessly to compatible Bluetooth-enabled computers and mobile devices without a dedicated USB receiver.
- Easy-Switch for 3 devices: Pair up to 3 compatible devices and switch between them using the dedicated button.
- Silent Touch Technology: Reduces click noise by up to 90% compared with the Logitech M185 mouse.
- Customizable middle button: Configure supported shortcuts and actions using Logi Options+ on compatible Windows and macOS devices.
- High-precision optical tracking: Provides accurate cursor control for everyday computing and productivity tasks.
- Adjustable tracking resolution: Supports resolutions from 400 to 4000 DPI.
- Long battery life: One AA alkaline battery provides up to 24 months of battery life, depending on usage and operating conditions.
- Replaceable battery: The AA battery can be replaced when required.
- Recycled plastic construction: Made with more than 50% recycled plastic in applicable plastic components.
- Logi Bolt receiver compatibility: Supports a compatible Logi Bolt USB receiver, sold separately. The receiver is not included with this mouse.

FAQ

What is the Logitech Pebble Mouse 2 M350s used for?

The Logitech Pebble Mouse 2 M350s is designed for everyday computer navigation, office work, studying, web browsing and portable computing with compatible Bluetooth-enabled devices.

Does the Logitech M350s connect through Bluetooth?

Yes. The mouse uses Bluetooth Low Energy to connect to compatible devices. It can also work with a compatible Logi Bolt USB receiver, which is sold separately.

Can the Logitech Pebble Mouse 2 M350s connect to multiple devices?

Yes. It can pair with up to 3 compatible Bluetooth devices. Use the Easy-Switch button to move between paired devices.

Is the Logitech M350s compatible with Windows and Mac?

Yes. It supports Windows 10, Windows 11 or later and macOS 11 or later. It also supports compatible iPadOS, iOS, Android, ChromeOS and Linux devices.

Is the Logitech Pebble Mouse 2 M350s quiet?

Yes. Silent Touch Technology reduces click noise by up to 90% compared with the Logitech M185 mouse, making it suitable for quieter work and study environments.

Can the middle button be customized?

Yes. The middle button can be customized through the Logi Options+ application on supported Windows and macOS systems.

Available actions depend on the software and configuration.

What battery does the Logitech M350s use?

The mouse uses one AA alkaline battery. One battery is included and pre-installed, and the stated battery life is up to 24 months depending on usage and operating conditions.

What is the DPI range of the Logitech Pebble Mouse 2 M350s?

The mouse supports a tracking resolution from 400 to 4000 DPI, allowing pointer speed to be adjusted for different everyday computing tasks.

Does the Logitech Pebble Mouse 2 M350s include a USB receiver?

No. The mouse connects through Bluetooth Low Energy. A compatible Logi Bolt USB receiver can be purchased separately if required.

Is the Logitech M350s suitable for travel?

Yes. Its slim profile and low weight make it convenient to carry with a laptop or tablet for work, study and travel.
