Port Connect Ergo Soft Ergonomic Rechargeable Bluetooth Mouse

Product Overview

Port Connect Ergo Soft Ergonomic Rechargeable Bluetooth Mouse

Specifications

Features:

Ergonomic design for unparalleled comfort
The wireless ERGO SOFT mouse has been designed to improve your daily comfort. Its inclined design promotes a natural hand position, thus reducing muscle tension and fatigue due to long working hours. Thanks to this advanced ergonomics, you can work, navigate or play longer without discomfort. Perfectly suited for extended use, the ERGO SOFT combines comfort and performance.

2.4 GHz & Bluetooth® wireless technology for total flexibility
This mouse offers dual connectivity thanks to 2.4 GHz and Bluetooth® wireless technology. It connects to three devices simultaneously: one via 2.4 GHz and two others via Bluetooth®. This flexibility allows you to easily switch from a laptop to a tablet or smartphone effortlessly. Whether you're at the office or on the move, the ERGO SOFT ensures optimal productivity without cumbersome cables.

Adjustable precision and silent clicks for a serene environment
With its optical sensor adjustable between 800, 1200 and 1600 DPI, the ERGO SOFT mouse adapts to all your speed and precision preferences, whether for office tasks or more demanding activities. Its silent clicks guarantee a peaceful working environment, ideal for shared spaces or telework. You benefit from a fluid, discreet and ultra-reactive user experience.

Rechargeable and eco-responsible with optimized range
Equipped with a rechargeable battery via USB-C cable, the ERGO SOFT mouse combines performance and respect for the environment. Automatic sleep mode and ON/OFF switch allow you to optimize battery life, reducing your frequent charging. In addition, it is compatible with a wide range of operating systems, including Windows®, macOS®, Chrome OSTM and AndroidTM, ensuring extended compatibility and ease of use.
