Port Connect Ultimate Rechargeable Bluetooth and 2.4Ghz Mouse

Product Overview

Port Connect Ultimate Rechargeable Bluetooth and 2.4Ghz Mouse

Specifications

Features:

Multipurpose professional mouse
Designed for demanding users, the ULTIMATE mouse offers dual connectivity via 2.4 GHz and Bluetooth® wireless technology. You can easily switch between three different devices: one via the 2.4 GHz connection and two others via Bluetooth®. It is the ideal tool to optimize your productivity at the office or on the move, with a smooth transition between your different devices.

Fast charging and intelligent energy management
Equipped with an integrated rechargeable battery via USB-C, the ULTIMATE mouse frees you from the constraints of conventional batteries. This allows you to enjoy extended range and quick charging, while saving energy with an automatic standby mode and an ON/OFF button to extend the battery life.

Ultra accurate scrolling and intuitive side navigation
The ULTIMATE FreeWheel® mouse wheel allows exceptionally fast and accurate scrolling, perfect for browsing long documents or web pages. In addition, the side wheel offers intuitive navigation from left to right, ideal for large spreadsheets and complex presentations. Work with fluidity and precision, whatever your tasks.

Silent performance and custom settings
For a quiet and pleasant working environment, the ULTIMATE mouse is equipped with quiet clicks, perfect for shared spaces. Its optical sensor offers an adjustable speed between 800 and 4000 DPI, allowing you to adjust the accuracy of your movements according to your needs. With six customizable buttons, including one dedicated to wireless connection selection, this mouse is a powerful and reliable ally. 3-year warranty to ensure long-term peace of mind.
