Port Connect Pure Mac Rechargeable Wireless and Bluetooth Mouse - Copper Rose

Product Overview

Port 910503 Connect Pure Mac Rechargeable Wireless and Bluetooth Mouse - Copper Rose, 4 buttons & Scroll Wheel, Up to 3200 dpi Resolution, 500mAh Rechargeable Lithium Battery

Specifications

Overview Summary:

The Port Connect Pure Mac Rechargeable Wireless and Bluetooth Mouse is designed for smooth, precise control in modern workspaces. With dual connectivity, a refined copper rose finish and adjustable DPI up to 3200, it delivers reliable performance for daily computing tasks. The rechargeable battery and silent clicks make it ideal for clutter-free, focused environments.

Comfortable to use and easy to pair, this mouse suits professionals, students and home users who want dependable wireless control with a clean aesthetic. Its lightweight design and responsive scroll wheel support efficient navigation across documents and applications. Buy now and upgrade your workspace with a mouse built for everyday productivity.

Performance tier: Mid-range

Uses:office work, home computing, studying, remote work, everyday navigation

Overview:

Port Connect Pure Mac Rechargeable Wireless and Bluetooth Mouse Copper Rose
Seamlessly navigate your workspace with a rechargeable mouse that combines reliable Bluetooth connectivity with a precise optical sensor for effortless productivity.

Description:

The Port Connect Pure Mac rechargeable wireless and Bluetooth mouse delivers smooth control, flexible connectivity, and long-lasting battery performance in a refined Copper Rose finish. Designed for modern workspaces, it offers adjustable DPI precision, silent clicks, and an ergonomic shape that supports comfortable all-day use across laptops, tablets, and desktop devices.

Features:

Designed for Everyday Precision and Style
Created for users who appreciate both performance and aesthetics, this wireless mouse blends clean lines with dependable functionality. Its Copper Rose tone adds a subtle accent to minimalist desks while fitting naturally into Apple-inspired environments. From focused office work to creative tasks, the mouse responds accurately to every movement, helping maintain a steady and efficient workflow without cable clutter.

Flexible Wireless and Bluetooth Connectivity
Switch easily between wireless and Bluetooth connections to suit different devices and setups. The mouse supports stable connections within a 10 meter range, making it simple to pair with laptops, tablets, or desktops. A dedicated device selection mode allows seamless toggling between two connected devices, supporting multitasking across screens without interruption.

Smooth Control with Adjustable DPI
An advanced optical sensor lets you tailor cursor speed to your working style. With selectable DPI levels up to 3200, the mouse adapts equally well to detailed design work or fast navigation through documents and spreadsheets. Silent clicks reduce noise, creating a calmer working environment in shared spaces.

Comfortable Shape with Long-Lasting Power
Built with a lightweight yet durable body, the mouse fits naturally in the hand for extended sessions. Its ambidextrous design ensures comfortable use for both left- and right-handed users. The integrated 500mAh rechargeable lithium battery supports extended usage on a single charge, while standby and power controls help conserve energy throughout the day.

Built for Efficient, Clutter-Free Workspaces
Rechargeable power removes the need for disposable batteries, keeping desks cleaner and more efficient. Charging is quick and straightforward using the included USB Type-C cable, allowing you to stay productive with minimal downtime. The compact size and balanced weight make it an ideal companion for both stationary and mobile setups.

Key Capabilities at a Glance:

- Dual wireless and Bluetooth connectivity for versatile device pairing
- Adjustable optical sensor with DPI levels from 1000 to 3200
- Four-button layout with responsive scroll wheel
- Silent click operation for quieter working environments
- Ambidextrous ergonomic design for everyday comfort
- Built-in rechargeable lithium battery with power-saving standby mode
- Device selection button for switching between two connected devices
- Minimalist design suited to modern and Apple-style workspaces
