Description:

The Logitech MK120 Combo Desktop Set is a straightforward solution for anyone seeking reliable, efficient, and durable computing accessories. The full-sized keyboard features an integrated number pad, spill-resistant design, and adjustable height. The ambidextrous mouse is designed for comfort with smooth tracking and a palm-supporting shape. With no installation required, simply plug the combo into a USB port, and you're good to go. Additionally, the use of recycled plastic makes this set an eco-friendly choice.

Features:

Reliable and Easy-to-Use Setup
The Logitech MK120 Combo Desktop Set offers simplicity right out of the box. The full-sized keyboard and 3-button mouse connect easily via USB, requiring no additional setup or software. Just plug them in, and you're ready to get to work. It's an ideal choice for anyone looking for a straightforward, no-fuss solution for everyday computing tasks.

Full-Sized Keyboard for Effortless Typing
The MK120's full-sized keyboard comes with an integrated 10-key number pad, making data entry, navigation, and calculations easier than ever. The keys are easy to read and designed for comfort, ensuring a pleasant typing experience, while the curved spacebar enhances the feel of each keystroke. Whether you're typing a report or entering figures, this keyboard provides a familiar and comfortable layout.

Comfortable and Ambidextrous Mouse
The included 3-button optical mouse is designed to be comfortable for both left- and right-handed users. It features smooth optical tracking and a curved shape that supports your palm, making it easier to navigate documents and websites. Its ergonomic design ensures comfort even during long hours of use, making it ideal for both casual and professional environments.

Durable, Spill-Resistant Keyboard Design

The Logitech MK120 keyboard is designed with durability in mind. It features a spill-resistant design, tested to withstand up to 60 ml of liquid spillages. While it's not waterproof, this feature adds an extra layer of protection to prevent damage from accidental spills. Additionally, the keyboard includes sturdy tilt legs, allowing you to adjust the height for better ergonomics.

Eco-Friendly Construction
Logitech's commitment to sustainability is evident in the MK120 Combo Desktop Set. The plastic used in both the keyboard and mouse includes recycled materials-72% recycled plastic for the mouse and 54% for the keyboard. By using post-consumer recycled plastic, Logitech helps reduce electronic waste and lowers the carbon footprint of the product, making it an environmentally responsible choice.

Long-Term Reliability with a 3-Year Warranty
With a 3-year Warranty, the Logitech MK120 Combo Desktop Set is built to last. The product is backed by Logitech's reputation for high-quality and reliable accessories. As the global leader in mice and keyboards, Logitech ensures that this combo meets high standards of performance, offering peace of mind with every use.
