Shop now to enhance your workspace with this practical and eco-friendly combo.

Performance tier: Standard

Uses: Typing, data entry, office work, home use, casual computing

Overview:

Logitech MK120 USB Keyboard and Mouse Combo for Desktop
The Logitech MK120 combo delivers a reliable and straightforward solution for everyday computing. Designed for efficiency and comfort, this full-size keyboard and mouse set is ready to use right out of the box, making it ideal for home or office use. Its durable construction and spill-resistant keyboard ensure long-lasting performance, while the ambidextrous mouse provides smooth, precise navigation.

Description:

The Logitech MK120 desktop combo includes a full-sized USB keyboard and a three-button optical mouse. The keyboard features an integrated number pad, adjustable tilt legs, and a spill-resistant design, while the mouse provides comfortable ambidextrous use with optical tracking and a scroll wheel. Easy plug-and-play setup, durable construction, and eco-friendly recycled plastic materials make this combo a practical and sustainable choice for daily computing tasks.

Features:

Simple and Efficient Design
The MK120 combo is built for users who want a straightforward, hassle-free setup. Both the keyboard and mouse are USB-connected and work immediately without any software installation. Its familiar layout ensures a smooth transition for anyone used to standard desktop peripherals.

Comfortable Typing and Navigation
The full-size keyboard is equipped with an integrated number pad for easy data entry, calculations, and navigation. The curved spacebar and clear, easy-to-read keys provide a comfortable typing experience. The accompanying full-sized mouse fits both left and right hands, offering smooth cursor control and ergonomic comfort for prolonged use.

Spill-Resistant and Durable Build
Designed to withstand everyday accidents, the keyboard features a spill-resistant design that can handle minor liquid spills. Durable keys and adjustable tilt legs enhance stability and typing comfort, ensuring long-lasting performance for both work and study.

Eco-Friendly Materials
The Logitech MK120 uses certified post-consumer recycled plastics-72% for the mouse and 54% for the keyboard-to reduce environmental impact. This eco-conscious design gives a second life to old electronic plastics, supporting sustainability while maintaining high durability and quality.

Easy to Use and Ready Immediately

Plug in the USB connections for both the keyboard and mouse, and they are ready to use. No drivers, downloads, or complicated installation processes are needed, making it an ideal choice for any desktop setup.

Reliable Performance
Logitech's reputation for quality ensures that the MK120 combo delivers reliable performance day after day. Designed with durability in mind, this keyboard and mouse set is built to handle regular use while maintaining smooth functionality and comfort.
