Specifications

Features:

POWER THROUGH. IN COMFORT.
Experience next-level comfort and productivity with the powerful MK850 Performance. You'll conquer work in comfort thanks to the cushioned palm rest, curved keyframe and contoured mouse. Switch between screens on both your keyboard and mouse for seamless multi-tasking.

BUILT FOR COMFORT
The oversized, cushioned palm rest and curved keyframe gives you support for all-day typing. Adjustable tilt legs offer the perfect typing angle. And the contoured design and soft rubber surface of the mouse fits comfortably in your palm.

ENHANCED PRODUCTIVITY
Fly through documents and web pages with hyper-fast scrolling and type quietly and efficiently on a full-sized keyboard with carefully-crafted concave keys.

MULTI-DEVICE MASTERY
Start typing on your computer, then switch to your tablet, phone or computer* with the touch of a button. Your mouse pairs with up to 3 devices for seamless multi-tasking.

A TRUE POWER COMBO
Finally, a keyboard and mouse combo that truly works together. Logitech DuoLink allows your mouse buttons to have a different set of actions when you hold the Fn key. Logitech Flow enables cross computer control and file sharing. Now, when your mouse cursor flows from computer to computer, your keyboard connection will switch automatically too.

RELIABLE AND HASSLE-FREE
Your keyboard won't require new batteries for 36 months and your mouse stays powered for 24 months.* Connect wirelessly to your devices with Logitech Unifying™ USB receiver or pair via Bluetooth® low energy technology.

Specifications:

Technical Specifications	
Keyboard	Connection Type: Bluetooth Smart and 2.4GHz wireless connection
	Wireless range: 10 m
	*Wireless range may vary depending on operating environment and computer setup.
	Wireless encryption: Yes
