Specifications

Overview:

MK540 ADVANCED

Instantly familiar. Simply advanced.

The MK540 Advanced is an instantly familiar wireless keyboard and mouse combo built for precision, comfort, and reliability.

Features:

INSTANTLY FAMILIAR. SIMPLY ADVANCED.

The MK540 Advanced is an instantly familiar wireless keyboard and mouse combo built for precision, comfort, and reliability. The full-size keyboard features a familiar key shape, size, and feeling - and the contoured and ambidextrous mouse has been designed to fit comfortably into either palm.

PLUG AND PLAY WIRELESS COMBO

Connect your keyboard and mouse with one tiny Logitech Unifying USB receiver. You'll get a reliable - and encrypted - wireless

connection up to 10 meters away Wireless range may vary due to environmental and computing conditions. with virtually no delays or dropouts

FAMILIAR TYPING EXPERIENCE

The keys have been optimized for improved accuracy and reduced noise - and your fingers will immediately feel at home on the familiar key surface and layout. The palm rest and adjustable tilt legs keep you comfortable for long stretches at the desk.

CONTOURED COMFORT MOUSE

The wireless mouses contoured shape and soft rubber side grips are designed to fit comfortably in either your right or left palm - and enhanced tracking and precise cursor control keep you in command.

PRODUCTIVITY AT YOUR FINGERTIPS

Convenient and essential hot keys give you direct access a media, calculator and battery check functions. Preset Fn keys can even be personalized in Logi Options+ app to meet your specific needs.

RELIABLE AND HASSLE-FREE

Your keyboard wont require new batteries for 36 months and your mouse stays powered for 18 months. The keyboard is spill resistant to 60ml of liquid and abrasion resistant key printing ensures your keys wont quickly fade. Keyboard battery life calculation based on an estimated two million keystrokes/year in an office environment. User experience may vary. Mouse battery life may vary based on user and computing conditions.

ESSENTIAL TOOLS. BETTER WORK.

Simple, powerful tools that deliver real work victories - even at home. Complete your setup with the right keyboard, mouse, headset, and webcam for better typing and navigation, plus superior audio and video- so you can conquer just about any task from home.
