Specifications

Overview:

OUR ICONIC COMBO, UPGRADED
Our high-performance combo just got better. Introducing MX Keys Combo for Business Gen 2 designed for precision, speed and comfort.

BUILDERS OF THE FUTURE
The MX Series is perfect for specialized workflow needs like coding and creative work. MX Series products are built to last. Made with solid, quality materials and are designed to inspire confidence and sharpen work focus.

THE MX SERIES EXPERIENCE
Building on decades of practical and scientific expertise in human interaction, weve created the MX Series to deliver intuitive experiences that are addictive and enhance performance and well-being.

MULTI-DEVICE, MULTI-OS COMPATIBILITY
MX for Business products work with all leading enterprise operating systems and business apps- across desktops, laptops, tablets and smartphones. This makes global deployment easy and reduces IT help desk involvement.

GREATER PRODUCTIVITY WITH LOGI OPTIONS+
Do more with Logitech mice and keyboards. Logi Options+ allows users to effortlessly take control of their workflow, designed to transform how they work. With Options+ users can work across devices and operating systems using Flow, set tracking speed, customize individual buttons, and use predefined app-specific customizations and Smart Actions to optimize nearly every aspect of their workflow.

Features:

ALL-DAY COMFORT - DESIGN FEATURES THAT MATTER
The keyboards solid design uses a single metal plate for stability and quieter typing. While the perfectly-crafted full-size mouse contours to the shape of the hand for easy access to the buttons and scroll wheel. The included MX Palm Rest features a premium cushioned surface, designed as an ideal companion providing all-day comfort.

QUIET - FLUID, NATURAL TYPING
Spherically-dished keys match fingertip shape while the matte surface allows fingers to glide for efficient, comfortable work. Plus tactile reference for hand positioning makes it easy to orient fingers and stay in the flow.

SPEED AND PRECISION - TRACK ON ANY SURFACE
The mouse offers exceptionally fine tracking accuracy and control on large, high-resolution monitors. It is 5X Compared to a regular Logitech mouse without an electromagnetic scroll wheel. more accurate than basic mice. It even tracks on glass 4 mm minimum glass thickness . Switch quickly to 8000 DPI from 4000 DPI with Logi Options+ Available on Windows and macOS at logitech.com/optionsplus.

90% LESS CLICK NOISE - ALMOST SILENT
Logitechs Quiet Click technology eliminates 90% of distracting mouse click noise for a quieter, more focused work environment for everyone. Compared to Logitech MX Master 3

- Paired for comfort
- Perfect Stroke keys
- 8000 DPI any-surface tracking
- Quiet Click technology

FEATURES THAT DELIVER - AUTO-ADJUST BACKLIGHTING
Full-size keyboard with Smart backlighting. Hand proximity sensors turn the backlighting on and ambient light sensors adjust backlight brightness to better manage battery life.

SECURE, WIRELESS CONNECTIONS
Engineered to conquer IT challenges, Logi Bolt technology is fully-encrypted and FIPS compliant when paired with the included Logi Bolt USB receiver.

NO-SLIP SUPPORT
MX Keys Combo for Business includes the MX Palm Rest which keeps hands in a relaxed position for all-day comfort.

PRODUCTIVITY SHORTCUTS
Keyboard F-keys talk-to-text, emoji selector and microphone mute, enable users to save time, express themselves and be more productive in video meetings. Additional F-Keys can be customized with Logi Options+ app Available on Windows and macOS at logitech.com/optionsplus.

REMOTE MANAGEMENT

Compatible with all major OSs for fewer help desk calls. Help Desks can remotely deploy and manage, en masse, Logi Bolt firmware updates (DFU) and customization app Logi Options+ Available on Windows and macOS at logitech.com/optionsplus.

RECHARGEABLE POWER
The mouse works up to 70 days on a full charge, with three hours of use from a one-minute quick charge. The keyboard works for up to 10 days on a full charge- or up to 5 months with backlighting turned off. Both work while charging for zero downtime. Combo includes one USB-C charging cable.

SUSTAINABILITY AT LOGITECH
Logitech is committed to creating a more sustainable world. We are actively working to minimize our environmental footprint and accelerate the pace of social change.

RESPONSIBLE PACKAGING
The paper packaging of MX Keys Combo for Business comes from FSC -certified forests and other controlled sources. By choosing this product, you are supporting responsible management of the world's forests.

CERTIFIED CARBON NEUTRAL
Rest easy knowing that the carbon footprint of your MX Keys Combo for Business has been reduced to zero. Thats because beyond designing for sustainability, we also offset our residual impact by supporting forestry, renewables, and climate-impacted communities that reduce carbon.
