Specifications

Overview:

THE UPGRADE EVERYONE DESERVES

The Signature MK650 Combo for Business delivers what IT needs and employees deserve.

THE ESSENTIAL COMBO

The wireless upgrade everyone deserves. With advanced technology and designed for comfort. It's the essential wireless combo for improving employee experience.

A PERFECT PERFORMANCE PAIRING

From simple set up to precision keystrokes and dual-mode scrolling, this is a combo designed for increased productivity and long hours at the desk.

UNINTERRUPTED WORKFLOWS

Worry less about failing batteries and down time. The Signature MK650 Combo for Business includes a AA mouse battery that lasts up to 24 months and two AA batteries for the keyboard which last up to 36 months. Battery life may vary based on user and computing conditions

GREATER EFFICIENCY WITH LOGI OPTIONS+

Do more with Logitech mice and keyboards. Logi Options+ app allows users to check battery life, and customize the side buttons of mice or the F-row on their keyboards to do everyday actions like copy/paste or forward/back, and much more.

Features:

COMBO FOR COMFORT - FOR LONG DAYS AT THE DESK

The Signature MK650 Combo for Business is designed for all day comfort. The keyboards integrated palm rest and familiar keystrokes complement the soft thumb area and rubber side grips of the mouse. All helping to make working hours feel less like work.

PRODUCTIVITY X2 - ENGINEERED FOR OUTPUT

The Signature MK650 Combo for Business is an easy way to increase employee productivity. The full-sized keyboard includes a numpad and pre-programmed F-Keys to streamline work. And the versatile mouse features a SmartWheel for more efficient scrolling with both line-by-line control and super-fast scrolling.

BETTER COMPATIBILITY - GREATER PEACE OF MIND

The Signature MK650 Combo for Business is compatible with every major operating system and platform, so its easy to deploy and manage in a multi-platform environment. This can reduce IT help desk headaches and improve employee inefficiency.

ENTERPRISE-GRADE SECURITY - RELIABLE, SECURE CONNECTIONS

The Signature MK650 Combo for Business includes Logi Bolt wireless technology, engineered to conquer IT challenges in the office and when working remotely. Delivering cross-platform compatibility and robust, secure connections- even in congested wireless environments. Fully encrypted and FIPS compliant when paired with the Logi Bolt USB receiver.

- All-day comfort
- Designed for productivity
- Enterprise OS compatibility
- Enterprise-grade security

FEATURES THAT DELIVER - HARDWORKING DESIGN

The MK650 Combo for Business was designed to make long hours at work easier. With shortcut keys for increased efficiency and a mouse with programmable buttons, this combo is engineered to keep up with demanding workflows.

TWO WAYS TO CONNECT

Bluetooth Low Energy or Logi Bolt, engineered for high-performance, secure connections even in congested wireless environments. It's compatible with all major OS's, making it an easy standard to deploy

MAKING A DIFFERENCE

The MK650 Combo for Business is certified CarbonNeutral . So rest easy knowing that the carbon footprint of the MK650

Combo for Business is zero. Additionally, a portion of the plastic parts used in the Signature MK650 Combo are made from post-consumer recycled (PCR) plastic: 21% for the off-white and 28% for the graphite K650 keyboard, and 26% for the off-white and 64% for the graphite M650 mouse.

REMOTE MANAGEMENT

IT administrators can remotely deploy and manage device firmware updates (DFU) and Logitechs customization app Logi Options+ Available on Windows and macOS at logitech.com/optionsplus . Easily push to Windows and macOS systems using popular deployment tools.

TIME-SAVING SCROLLING

Get line-by-line precision for documents or detail work. Or super-fast scrolling for long web pages and endless rows of spreadsheet cells. Switch modes with just a flick of the SmartWheel.

PRODUCTIVITY POWER DUO

Challenging workflows and long hours are no match for this high-output pair. It combines the comfort of a full-sized keyboard with the advanced functionality of a versatile mouse. A pairing designed to be a productivity powerhouse.
