Specifications

Overview Summary:

The Logitech Pebble 2 Combo offers a sleek and minimalist keyboard and mouse set perfect for South African users seeking quiet, efficient productivity. Designed with slim, lightweight construction and silent touch technology, this combo provides a comfortable typing experience and quiet mouse clicks, ideal for both work and study. Its multi-device Bluetooth pairing and Logi Bolt receiver allow seamless switching between up to three devices, keeping you connected without hassle. Shop now to upgrade your workspace with this stylish, eco-conscious accessory.

With long-lasting battery life-up to 36 months for the keyboard and 24 months for the mouse-the Pebble 2 Combo ensures uninterrupted performance. Its compact design makes it portable and easy to carry, making it perfect for home, office, or on-the-go use. Buy now and enjoy a smooth, quiet computing experience.

Performance tier: Premium productivity

Uses: Home office, remote work, study, multi-device management, general computing, quiet typing tasks

Overview:

Logitech Pebble 2 Combo: Minimalist Keyboard and Mouse for Modern Users
The Logitech Pebble 2 Combo offers a sleek and lightweight Bluetooth keyboard and mouse set designed for productivity, portability, and style. Its slim profile, quiet operation, and multi-device compatibility make it perfect for work, study, or everyday use.

Description:

This combo includes a compact Bluetooth keyboard and a 3-button mouse, both featuring silent touch technology for quiet typing and clicking. With multi-device pairing, you can seamlessly switch between up to three devices. The keyboard offers a comfortable laptop-like typing experience, while the mouse supports a wide DPI range from 400 to 4000. Designed with sustainability in mind, the Pebble 2 Combo incorporates recycled plastics and offers long-lasting battery life-up to 36 months for the keyboard and 24 months for the mouse.

Features:

Stand Out with Sleek, Colorful Design
Express yourself with a keyboard and mouse that break away from the ordinary. The Pebble 2 Combo is available in a range of colors, allowing you to match your personal style while maintaining a modern, minimalist aesthetic.

Eco-Friendly Materials Without Compromise
The Pebble 2 Combo is crafted with over 45% recycled plastic, making it a responsible choice for eco-conscious users. The keyboard uses at least 49% recycled plastic, and the mouse contains a minimum of 58% recycled materials. Every detail balances sustainability with design appeal.

Portable and Ready for On-the-Go Use
Weighing next to nothing, the Pebble 2 Combo slips easily into a bag, making it ideal for mobile work. Its compact size and lightweight construction mean you can stay productive wherever you go without sacrificing comfort or functionality.

Seamless Multi-Device Connectivity
Switch between three devices instantly using the Easy-Switch button. The combo works across Windows, macOS, iPadOS, Android, Chrome OS, and Linux. It also supports the Logi Bolt receiver for secure wireless connections. Note that the mouse is not supported on iOS devices.

Quiet Typing and Clicking for Distraction-Free Work
Enjoy a near-silent typing experience thanks to low-profile keys with Silent Touch Technology. The mouse operates with 90% less click noise compared to standard models, creating a calm workspace without distractions.

Smart Shortcuts for Faster Productivity
Enhance your workflow with shortcut keys for screen capture, search, emoji menu, and more. Customize your keyboard and mouse buttons using the Logi Options+ app to manage everyday tasks like playlist control, app launching, or sending quick messages.

Personalize Your Setup
The 10 F-row keys and mouse middle button can be customized to perform your most-used actions. Copy, paste, adjust screen brightness, or launch apps-all tailored to your personal workflow using the Logi Options+ software.

Long-Lasting Power
Work or play without interruption. The keyboard offers up to 36 months of battery life, while the mouse can last up to 24 months, depending on usage. This extended battery performance ensures you spend more time focused on your tasks and less time changing batteries.

Technical Specifications:

- Keyboard and mouse combo
- 3-button mouse with 400-4000 DPI range (1000 DPI nominal)
- 10 m wireless range
- Multi-device Bluetooth pairing and Logi Bolt receiver
