Shop now to upgrade your setup with this efficient and eco-friendly combo.

Experience convenience with the long-lasting battery life of up to 36 months for the keyboard and 24 months for the mouse, ensuring uninterrupted work or study sessions. Its ergonomic design and quiet performance let you focus without distractions, while the Logi Bolt receiver and Bluetooth connectivity provide reliable performance across multiple devices. Buy now and enjoy a versatile, portable solution for your everyday computing needs.

Performance tier: Premium

Uses: Home office, remote work, study, productivity, multitasking

Overview:

Logitech Pebble 2 Combo Bluetooth Keyboard and Mouse - Tonal White
The Logitech Pebble 2 Combo offers a slim, lightweight, and minimalist design perfect for modern workspaces. This multi-device Bluetooth keyboard and mouse set provides silent typing and clicking for a distraction-free environment. With long-lasting battery life and versatile connectivity options, it's designed for productivity, portability, and style.

Description:

The Pebble 2 Combo combines a compact keyboard and mouse crafted from over 45% recycled plastic, offering a sustainable and stylish solution for your workspace. Its low-profile keys deliver quiet, laptop-like typing, while the mouse provides precise control with adjustable DPI settings. Easily switch between multiple devices, customize shortcut keys, and enjoy up to three years of keyboard use and two years of mouse operation without interruptions.

Features:

Slim, Stylish, and Minimalist Design
Stand out with a keyboard and mouse set designed to complement any workspace. The Pebble 2 Combo's slim profile and tonal white finish give it a modern, minimalist look that is both functional and visually appealing.

Sustainable Materials with Vibrant Options
Crafted with over 45% recycled plastic, the Pebble 2 Combo is as eco-conscious as it is stylish. Choose from a range of colors to match your personal style while contributing to a greener environment.

Portable and Ready for On-the-Go Use
Lightweight and compact, the Pebble 2 Combo is easy to carry. Slip it into your bag and stay productive anywhere, whether at home, in a cafe, or on the move.

Seamless Multi-Device Connectivity
Switch effortlessly between up to three devices using the Easy-Switch button. Compatible with Windows, macOS, iPadOS, Android, Chrome OS, and Linux, you can stay connected no matter what device you use. The included Logi Bolt receiver ensures a stable and secure connection for compatible devices.

Quiet Typing and Silent Mouse Clicks
Experience distraction-free productivity with low-profile keys that mimic a laptop's typing feel and a mouse that reduces click noise by over 90% using Silent Touch Technology. Perfect for shared workspaces, meetings, or late-night sessions.

Customizable Shortcuts for Productivity
Enhance efficiency with customizable keyboard shortcut keys and a programmable middle mouse button. Use the Logi Options+ App to assign functions like copy/paste, app launch, or media controls to make everyday tasks faster and easier.

Extended Battery Life for Long-Term Use
Work without interruption thanks to long-lasting batteries. The keyboard offers up to 36 months of usage, and the mouse provides up to 24 months, so you can stay productive longer without worrying about frequent replacements.

Precision and Control in Every Click
The mouse delivers smooth tracking with a DPI range of 400-4000 and a nominal 1000 DPI setting, providing accurate control for work or casual use. Its three-button design ensures versatility across applications.
