Specifications

Overview Summary:

The Logitech MK250 Compact Bluetooth Wireless Combo is the ideal solution for users in South Africa looking to declutter their workspace without compromising on performance. This keyboard and mouse set connects seamlessly via Bluetooth Low Energy, eliminating the need for USB ports. The compact keyboard includes a full numpad, while the ambidextrous mouse ensures comfortable navigation for both left- and right-handed users. Designed with a spill-resistant build and 12-month battery life on both devices, the MK250 is made to endure daily use while reducing maintenance.

Perfect for home offices, students, and professionals alike, this combo supports multiple operating systems and promotes sustainability through the use of post-consumer recycled plastics. Buy now to enjoy streamlined performance, durability, and eco-conscious design in one wireless package.

Performance tier: Mid-range

Uses: Home office setups, remote work, minimalist workspaces, daily computing, sustainable tech users

Overview:

Logitech MK250 Compact Bluetooth Wireless Keyboard and Mouse Combo

Wireless Simplicity with Long-Lasting Performance
The Logitech MK250 Compact Bluetooth Wireless Combo offers a streamlined typing and navigation experience with reliable Bluetooth connectivity and eco-friendly design. This space-saving keyboard and ambidextrous mouse combo is crafted for everyday use, balancing comfort, performance, and sustainability.

Fast and Easy Bluetooth Connection
No USB receiver is needed. The MK250 combo connects effortlessly via Bluetooth Low Energy technology, freeing up USB ports and eliminating cable clutter. Setup is quick - just pair and go.

Compact Design That Fits Anywhere
Whether you're working at home, in a shared office, or on the move, the compact keyboard layout includes a number pad and essential keys for full functionality. The slim form factor saves desk space while maintaining productivity.

Reliable and Durable for Daily Use
Built to handle daily demands, the MK250 keyboard is spill-resistant and designed to keep going strong. The mouse offers

smooth 1000 DPI optical tracking and reliable line-by-line scrolling for precise navigation. Tested for durability and backed by Logitech's reputation for quality.

Features:

Comfortable Typing and Navigation

- Low-profile, responsive keyboard keys
- Tilt legs for adjustable typing angle
- Contoured ambidextrous mouse for either hand
- 2D mechanical scroll wheel for effortless scrolling

Impressive Battery Life

- Keyboard: 2 AAA alkaline batteries with up to 12 months of usage
- Mouse: 1 AA alkaline battery with up to 12 months of performance

Battery life may vary based on usage, but both devices are optimized for energy efficiency and reduced maintenance.

Made with Recycled Materials
Logitech is committed to sustainability. The MK250 combo includes:

- Keyboard: minimum 64% post-consumer recycled plastic
- Mouse: minimum 66% post-consumer recycled plastic

Plastic in printed wiring assemblies and packaging is excluded.

Product Specifications

- Wireless Connectivity: Bluetooth Low Energy
- Keyboard Layout: Compact with numpad
- Spill-Resistant: Yes (keyboard)
- Mouse DPI: 1000
- Scroll Type: 2D mechanical scroll wheel
- Battery Requirements: - Keyboard: 2 AAA
- Mouse: 1 AA
