Specifications

Overview Summary:

The Logitech MK250 Compact Bluetooth Wireless Combo is the perfect solution for anyone seeking a reliable, space-saving keyboard and mouse set. Designed for easy Bluetooth connectivity, this combo ensures a quick, hassle-free setup without requiring additional USB ports. Ideal for both home and office environments, it features a spill-resistant build and up to 12 months of battery life, making it a durable and long-lasting choice. With an ambidextrous mouse for comfort and a compact keyboard with a number pad, this combo provides essential features without sacrificing performance. Buy now and experience seamless connectivity and convenience!

Performance tier: Mid-range

Uses: Office work, home office, productivity tasks, browsing, typing

Overview:

MK250 Compact Bluetooth Wireless Combo: Seamless Connectivity and Durability in a Compact Design
The Logitech MK250 Compact Bluetooth Wireless Combo offers an easy and efficient solution for anyone looking for a reliable, space-saving keyboard and mouse combo. Perfect for everyday use, this combo is designed with comfort and durability in mind, providing users with all the essential features without compromising on performance.

Description:

The MK250 combo includes a compact keyboard with a number pad and a contoured, ambidextrous mouse, both optimized for productivity and comfort. With Bluetooth connectivity, setup is quick and hassle-free, allowing you to focus on your work. This combo is built to last, offering a spill-resistant design and a long battery life of up to 12 months, making it an excellent choice for home or office environments. Plus, it's crafted with sustainability in mind, featuring plastic parts made from a minimum of 64% recycled materials.

Features:

Easy Bluetooth Connectivity
The MK250 combo is designed to connect quickly and easily via Bluetooth wireless technology. No need for additional dongles or USB ports-simply pair your devices in seconds and enjoy a seamless, frustration-free connection.

Compact Design for Efficient Workspaces
Maximize your desk space with the MK250's compact layout. The keyboard is small yet fully equipped with all the essential

keys, including a number pad, making it an ideal choice for tight workspaces. The accompanying mouse is similarly compact and portable, ensuring both comfort and convenience no matter where you work.

Durable and Spill-Resistant Build
Crafted for reliability, the MK250 is built to withstand everyday use. The keyboard features a spill-resistant design, tested to handle up to 60 ml of liquid, so you don't need to worry about accidental spills. In addition, both the keyboard and mouse boast a long-lasting 12-month battery life, giving you peace of mind and reducing the hassle of frequent replacements.

Comfortable and Responsive Performance
The MK250 combo ensures optimal comfort with an ambidextrous mouse that fits comfortably in either hand and a keyboard with responsive, deep-profile keys for a consistent typing experience. Whether you're working on a project or browsing the web, this combo offers the perfect balance of comfort and functionality for everyday tasks.

Sustainability and Quality
Logitech has designed the MK250 with sustainability in mind, using a minimum of 64% (keyboard) and 66% (mouse) recycled plastic in its construction. With this eco-friendly approach, you can enjoy the same high quality and durability that Logitech is known for, while also supporting a more sustainable future.

Key Specifications:

- Bluetooth wireless connectivity: No USB port required for connection
- Keyboard: Compact layout with a number pad, tilt legs for ergonomic comfort, powered by 2x AAA alkaline batteries with up to 12 months of battery life
- Mouse: 1000 DPI smooth optical tracking, 3 buttons, powered by 1x AA alkaline battery with up to 12 months of battery life
- Spill-resistant design: Tested to handle up to 60 ml of liquid spillage
- Recycled plastic content: 64% (keyboard) and 66% (mouse) post-consumer recycled plastic

Whether you're working from home or in a busy office environment, the Logitech MK250 Compact Bluetooth Wireless Combo is built to meet your needs for connectivity, comfort, and long-lasting performance.
