Overview Summary

Logitech Pebble Keys 2 K380s Bluetooth Keyboard - Tonal Rose

The Logitech Pebble Keys 2 K380s is a compact wireless keyboard designed for users who want portable convenience, comfortable typing and a minimalist aesthetic. Its low-profile, rounded keys provide a quiet, laptop-like typing experience, while its lightweight construction makes it easy to carry between home, office, university and other workspaces.

Bluetooth Low Energy connectivity allows the keyboard to pair with up to 3 compatible devices, with Easy-Switch buttons making it simple to move between them. Customisable shortcut keys provide quick access to useful functions, including search, screenshots, dictation and media controls. Powered by 2 AAA alkaline batteries, the keyboard offers up to 36 months of battery life under suitable usage conditions.

Performance tier: Everyday productivity and portable wireless computing

Uses: Office work, home computing, student assignments, tablet typing, smartphone typing, remote work, travel, everyday browsing

Description

The Logitech Pebble Keys 2 K380s Bluetooth Keyboard in Tonal Rose is designed for people who want a practical, stylish and portable typing solution. Its slim profile and compact layout help save desk space, making it suitable for smaller workstations, shared desks and mobile setups. The soft Tonal Rose finish adds a distinctive look to a home office or study area.

The rounded, low-profile keys are shaped for a familiar laptop-style typing experience with reduced typing noise. This makes the keyboard suitable for everyday writing, emails, online research, messaging and office tasks where quieter operation is useful.

Bluetooth Low Energy connectivity supports pairing with up to 3 compatible devices. Use the Easy-Switch buttons to move between a computer, tablet or smartphone without repeatedly disconnecting and reconnecting. The keyboard supports compatible Windows, macOS, iPadOS, iOS, Android, ChromeOS and Linux devices, although available functions may vary by operating system.

Customisable shortcut keys provide quick access to frequently used actions. With the Logi Options+ application on supported Windows and macOS devices, users can customise supported keys and tailor shortcuts to their workflow. The keyboard runs on 2 AAA alkaline batteries and offers up to 36 months of battery life, depending on usage and computing conditions.

Made with recycled plastic, the Logitech K380s combines a modern appearance with practical everyday functionality. It is a suitable choice for professionals, students and home users who need a compact wireless keyboard for multiple compatible devices.

Features

The Logitech Pebble Keys 2 K380s combines wireless convenience, portable design and customisable controls for everyday productivity.

- Bluetooth Low Energy connectivity: Connect wirelessly to compatible Bluetooth-enabled devices without a physical keyboard cable.
- Multi-device pairing: Pair with up to 3 compatible devices and switch between them using the Easy-Switch buttons.
- Compact and lightweight design: Fits easily into many laptop bags and helps keep workspaces uncluttered.
- Quiet, rounded keys: Low-profile keys provide a familiar laptop-like typing feel with reduced typing noise.
- Customisable shortcut keys: Configure supported keys through Logi Options+ on compatible Windows and macOS devices.
- Useful built-in shortcuts: Access functions such as search, screen capture, dictation, emoji and media controls, depending on the connected operating system.
- Operating system adaptability: Key functions adapt to supported operating systems for a more convenient typing experience.
- Extended battery life: Delivers up to 36 months of use from 2 AAA alkaline batteries under suitable conditions.
- Recycled plastic construction: The Tonal Rose version uses at least 49% post-consumer recycled plastic in its plastic components, excluding the printed wiring assembly and packaging.
- Logi Bolt receiver compatibility: Supports an optional Logi Bolt USB receiver, sold separately.

Product Specification Sheet

- Portable productivity: Suitable for home offices, study areas, travel and flexible work environments.

Designed to be different

Let the world see who you are with the Pebble Keys 2 K380s. A minimalist and slim keyboard designed to stand out.

Recycled plastic doesn't have to be dull

We don't just stop at a unique design, we make sure that our products are responsibly made too. The Pebble Keys 2 is made with more than 50% recycled plastic.

Ready to go when you are

Compact, and ready to make big moves. Its lightweight and portable design means you can slip the keyboard into your bag, whenever, wherever.

Device-hopping made easy

Switch between 3 of your devices with a press of the Easy-Switch buttons. Compatible with Windows, macOS, iPadOS, iOS, and Android.

Shhh - quiet typing

Hear that No Perfect. Keep it on the low with round and quiet low-profile keys that don't click and clack, for a familiar laptop-like typing feel.

Shortcut your life to the fun part

Shortcut keys give you instant access to screen capture, search, voice dictation, emoji menu, and more, so you can work smarter, not harder.

You've got options

Your keyboard does more than just type. With the Logi Options+ App, you'll be able to customize the 10 F-row keys to do everyday actions like copy/paste, adjust screen brightness, and open app, so you can do things your way. Available on Windows and macOS

Go for longer

Need more power Pebble Keys 2 K380s comes with up to 36 months of battery life (up to 50 percent more than the previous K380) to keep you going for longer and worry-free.

Get the look

Make your whole desk match your aesthetic. Complete your look by picking a color combo that fits your vibe.

How to customize your Pebble Keys 2 K380s step 1

Download Logi Options+ app After installing Logi Options+ at www.logitech.com/optionsplus, add your device and explore our app to do more with your keyboard. Available on Windows and macOS

Step 2

Change the default shortcuts Select the keycap you wish to customize and choose a shortcut from the extensive options available. Just play around and make it your own.

Designed to Belong

Compatible with MacBook Neo laptops. Instant Bluetooth(RegTM) connection. Seamless. Color-matched.
