Overview:

Logitech G840 XL Gaming Mouse Pad - Extra Large Cloth Surface for Precision Gaming

The Logitech G840 Gaming Mouse Pad is designed for gamers who need a large, reliable surface for unrestricted mouse movement and improved control. Covering a generous 900 x 400 mm area, it provides ample room for both your keyboard and mouse, creating a clean and consistent gaming setup. The performance-tuned cloth surface is optimized for Logitech G gaming mice, delivering accurate tracking, dependable sensor performance, and smooth glide during fast-paced gameplay.

Description:

Built for competitive gaming and everyday performance, the Logitech G840 XL Gaming Mouse Pad offers the space and precision needed for high and low DPI play styles. Its carefully engineered cloth surface provides the ideal balance between speed and control, while the anti-slip rubber base keeps the pad firmly in place during intense gaming sessions. Whether you are making rapid flick shots or precise movements, the G840 delivers a stable and consistent experience across your entire desktop.

Features:

Built for Full Desktop Setups

The extra-large design allows you to position your keyboard and mouse exactly how you prefer without running out of room. The extended surface supports wide mouse sweeps, making it ideal for FPS, MOBA, RTS, and other competitive gaming titles where precision matters.

Optimized for Accurate Tracking

The performance-tuned cloth surface enhances mouse sensor performance by providing consistent tracking and cursor accuracy. This optimized texture supports both high-speed movements and fine aiming adjustments, helping you maintain confidence in every match.

Balanced Control and Smooth Movement

The carefully selected surface friction offers an ideal balance between glide and stopping power. Gamers can rely on responsive movement while maintaining the control needed for accurate targeting and muscle memory.

Stable During Intense Gameplay

A durable rubber base keeps the mouse pad securely positioned on your desk, preventing unwanted movement or bunching during aggressive gaming sessions. The 3 mm thickness also adds comfort and stability for both your mouse and keyboard.
