Logitech Tap IP Graphite USB Touch screen Touch controller

Product Overview

Logitech Tap IP Graphite USB Touch screen Touch controller for meetings rooms with PoE connectivity

Specifications

Overview:

Make video meetings simple to join with a network-connected touch controller.

Features:

DEPLOY ROOM SOLUTIONS WITH EASE
Transform collaboration spaces with Logitech Tap IP and leading video conferencing room solutions. Deliver one-touch join, easy content-sharing, and a seamless meeting experience across all rooms.

Just the Right Presence
With a spacious 10.1" display, low profile, and motion sensor for always-on readiness, Tap IP has a sleek and unobtrusive presence in the room.

Simple and Secure Cabling
Streamline setup with a single cable that can be routed through the back or below the device. Keep connections tight with built-in strain relief and retention mechanisms.

Multiple Mounting Options
Install Tap IP almost anywhere in the room with Table and Riser Mounts that fit standard table grommets and rotate 180 degrees for visibility and convenience. Or save table space in small rooms with the Wall Mount.

SINGLE CABLE SIMPLICITY
With a single Power over Ethernet cable, place Tap IP conveniently near room participants for a tidy and professional install.

PAIRS WELL WITH PARTNERS
Enable easy and effective meetings for onsite and remote workers. Tap IP and the Logitech suite of room solutions integrate with leading video conferencing services for a seamless meeting experience.

SIMPLE TO MANAGE WITH LOGITECH SYNC
With Logitech Sync, you can monitor and manage Tap IP along with your other meeting room devices from one single platform.
