Logitech Tap Scheduler

## Product Overview

Logitech Tap Scheduler OFF-WHITE, USB, Touch Screen

## Specifications

**Overview:**

Purpose-built scheduling panel for meeting rooms

**Features:**

**RIGHT PLACE, RIGHT TIME**
Tap Scheduler makes it easy to see meeting details and reserve a room for ad hoc or future meetings. Easily deploy as a purpose-built scheduling panel for leading room scheduling solutions to help workers find and claim the right space.

**GREEN MEANS GO**
Quickly find an open room through colored LED lights that show availability at a distance.

**CLEAN AND EASY INSTALL**
Included mounts and clean cabling help ensure a tidy and professional setup.

**Glass Mounting**
Secure Tap Scheduler while maintaining a clean look on both sides of the glass.

**Mullion Mounting**
Secure Tap Scheduler to a door or window frame for greater visibility using the included mount.

**Wall Mounting**
Place and secure Tap Scheduler anywhere on a wall.

**Cable Management**
Hide cables in the wall, mullion, or in other directions, with multiple routing options.

**PURPOSE-BUILT AS A SCHEDULING PANEL**

Tap Scheduler was designed for easy viewing and usability, with a spacious screen and a sleek, unobtrusive profile. Count on Tap Scheduler for reliable performance with durable components that are built to last.

**MAKE THE MOST OF YOUR SPACE**
With Logitech's suite of workspace solutions, including Tap Scheduler, Logi Dock Flex, and our room- and desk-booking services, we help you keep your spaces, devices, and people seamlessly connected.

**PICK YOUR PLATFORM**
Enable a seamless meeting experience through Tap Scheduler and Logitech's suite of room solutions, which integrate with Microsoft Teams®, Zoom Rooms™, and other service providers to raise the bar on collaboration.

**Easy to Manage**
Easily manage and maintain all your devices and spaces at scale with Logitech Sync. Monitor room health, deploy updates, and modify settings all from a single cloud-based platform. Activate premium features like insights, remote UI for troubleshooting, and proactive alerts with an Essential or Select license.

**Ensure Business Continuity with Select Service Plan**
Remove barriers to collaboration and ensure conference rooms are ready for the next meeting. Select is a service plan beneficial for all room sizes and deployments. Optimize uptime with expert assistance within one hour, get fast product replacements, and take advantage of premium Sync functionality to proactively resolve issues before they impact your business. When you choose Select, we partner with you to reduce daily management, optimize performance, and help you maximize your investment.

**A CHOICE YOU'LL FEEL GOOD ABOUT**
Logitech is committed to creating a more sustainable world. We are actively working to minimize our environmental footprint and accelerate the pace of social change.
