Perfect for modern office environments, it offers both function and style. Ready to elevate your meeting setup Buy now and transform your workspace with the Logitech Rally Board 65 Cart!

Performance tier: Premium

Uses: Business meetings, conference calls, team presentations, video conferences, office setups

Overview:

Logitech Rally Board 65 Cart - White
The Logitech Rally Board 65 Cart is a sturdy, mobile stand designed to provide easy movement and secure placement for the Logitech Rally Board 65. This cart, crafted for durability and flexibility, is perfect for any professional workspace, allowing quick deployment and stable positioning. Please note that the Logitech Rally Board 65 is sold separately and not included with this cart.

Description:

The Rally Board 65 Cart is equipped with lockable wheels, making it easy to move the Rally Board 65 between different rooms or setups. It features a convenient cable management system that keeps wires organized and out of the way. Whether you need the camera above or below the screen, the cart offers a smooth flipping mechanism that locks the board in place in both orientations. This makes it a versatile solution for all meeting room configurations.

Features:

Key Highlights

- Two Orientation Options: Adjust the camera's position above or below the screen to fit your room layout. The flipping mechanism locks securely in place for added stability.
- Stable & Maneuverable: Designed for secure positioning, the cart ensures the Rally Board 65 stays steady during meetings, while its balanced design allows for easy movement.
- Built-in Cable Management: Keep cables neatly organized and tangle-free with the cart's efficient cable management system.
- Locking Casters for Security: The sturdy locking casters provide smooth mobility, while keeping the cart securely in place once set up.
