### Logitech BCC950 ConferenceCam Webcam

#### Product Overview

Logitech BCC950 ConferenceCam Webcam, EMEA, HD 1080p 30fps video, high-quality full-duplex speakerphone, UVC H.264 onboard technology, 78-degree field of view and 180-degree remote-controlled video pan, tilt, zoom, built-in, full duplex speakerphone and noise-cancelling microphone, Carl Zeiss Optics with Autofocus.

#### Specifications

##### Overview:

Amazingly Simple and Affordable Small Group Video Conferencing Has Arrived.

##### Features:

##### All-in-One Design

Combines HD 1080p 30fps video with high-quality full-duplex speakerphone clarity for professional video conferencing.

##### Perfect For Small Groups

Now groups can collaborate over video from conference rooms, offices and collaboration spaces - no more competing for those overlooked conference room systems or huddling around a single PC just to have a video meeting.

##### Connects to Your PC

UVC H.264 onboard technology helps ensure quick plug-and-play functionality on both PCs and Macs - no software to install.

##### Uses Desktop Video Applications

Works on virtually any desktop video conferencing and UC application - including Adobe Connect, Avaya, Cisco WebEx and other Cisco Video Conferencing applications, Citrix Go to Meeting, LifeSize Connections, FaceTime, Google Hangouts and Video Chat, Microsoft Lync and Office365, Vidyo, Skype. No proprietary and expensive systems to set up.

##### Remote Control Your Meetings

Quickly control your meetings with the remote - answer/end calls, set volume up/down, pan, tilt, zoom and mute.

##### Everyone Can Be Seen

A 78-degree field of view and 180-degree remote-controlled video pan, tilt, zoom ensures each member of the small group is seen.

### Product Specification Sheet

#### Sound Crystal-Clear

The built-in, full duplex speakerphone and noise-cancelling microphone allow all meeting members to hear and be heard clearly up to 8 feet away from the base.

#### Carl Zeiss Optics with Autofocus

Enjoy razor-sharp images from a glass lens designed with the help of an industry leader, Carl Zeiss. Allows detailed documents, whiteboards, or visuals to be shared close up during calls.

#### Show Your Best Angle

The camera height extender and 8-foot USB cable allow users to adjust camera height and distance for the most flattering video angles so they can make the best impression during meetings.

#### Conversations Are Life-Like

Omni-directional sound and echo cancellation audio makes it seem like conversations are happening in the same room.

#### Professional-Grade Certifications

The ConferenceCam is optimized for Microsoft Lync and Skype.
