Logitech Z906 Black & silver 5.1Ch Speakers

Product Overview

Logitech Z906 Black & silver 5.1Ch Speakers, 3.5mm; 500W RMS with Wall mountable satellites, Wireless Remote, THX certified, Dolby Digital and DTS decoding

Specifications

Overview:

Lots of watts
You get big, bold sound and details galore from these 500-watt, THX®-Certified speakers with 5.1 digital decoding.

Plug it in
No need to plug and unplug your components-you can connect up to six at once for easy access to all your audio.

You run the show
You've got total control over your audio experience with an easy-to-read-and-stack digital control console and a wireless remote.

Features:

500-watts (RMS) of power
Make any night opening night. You get thunderous audio that can shake your house-and your whole neighborhood.

THX® Certified
You've got quality you can count on-these speakers have met strict performance standards to achieve THX certification.

Digital decoding
Hear every detail all around you-from the roar of the crowd to the footsteps right behind you-in your Dolby digital or DTS encoded soundtracks.

Easy-to-read control console
The stackable, easy-to-read design fits in with your home-entertainment system and gives you control of your audio-change the volume on all your speakers, turn the power on or off, set inputs and more.

Wireless remote
You can control your listening experience without ever getting off the couch.

Ported, side-firing subwoofer
165 watts of deep bass brings your music, movies and games to life.

Wall-mountable satellites
Let you transform any room into a home theatre. Wall-mounting kits can be purchased as an accessory.

Surround sound with 3D Stereo
Your speakers convert two-channel stereo into an immersive surround sound experience.

System Requirements:
Works with

- Computers, music players, TVs, Blu-ray™ and DVD players, game consoles and other audio sources with digital optical, digital coaxial, RCA audio or 3.5 mm out
- Nintendo Wii™ using the AV cable that comes with your console
