Logitech H340 Black USB Computer Headset With Noise Canceling Mic

Product Overview

Logitech H340 Black USB Computer Headset With Noise Canceling Mic. The Logitech H340 USB Headset delivers reliable, crystal-clear digital audio and voice for everyday tasks. With a noise-canceling mic, lightweight adjustable design, and simple plug-and-play USB-A setup, it is perfect for remote work, learning and calls across South Africa.

Specifications

Overview Summary

Logitech H340 USB Headset

This lightweight, plug-and-play USB headset offers reliable digital stereo sound and a noise-canceling microphone-ideal for clear voice calls, remote work and online classes. Comfort comes from the adjustable headband and swivel-mounted foam ear cushions, delivering hours of fatigue-free use. Its discreet, right-sided boom mic tucks neatly away when not in use.

Performance tier: Everyday productivity

Uses: VoIP calls, online meetings, remote learning, music, light gaming

Overview

H340 USB Headset is the perfect everyday headset with a simple plug-and-play USB-A connection. A noise-canceling microphone reduces background noise and delivers clear digital audio for VOIP and Skype calls.

Description

The Logitech H340 USB Headset is engineered for everyday productivity and communication. Its USB-A plug-and-play design ensures immediate compatibility across major operating systems-Windows, macOS, and ChromeOS-without the need for drivers. The digital stereo sound brings clarity to voice calls, virtual meetings, and casual media listening. The built-in, bi-directional noise-canceling microphone delivers crisp voice capture by filtering ambient noise. Designed for extended comfort, the headband is adjustable and the ear cushions swivel for a secure yet soft fit. The mic boom conveniently folds inward, allowing a sleek profile when shifting to audio-only tasks or gaming.

Features

USB COMPUTER HEADSET
The perfect headset for voice calls, Skype, webinars and more. The 180 cm cable is just the right length to give you the freedom to stand up and stretch during long conversations.

DIGITAL STEREO SOUND
Enjoy crystal clear audio for music, games and calls. This plug-and-play headset can be used with any PC or Mac computer with a USB-A port or adapter without the need to install software.

NOISE CANCELING MIC
Right-sided mic can be positioned for better voice capture and background noise reduction. Discreet boom can be tucked inside the headband and out of the way when you're not using it.

ADJUSTABLE HEADBAND
Lightweight headband with swivel-mounted foam ear cushions provide hours of audio comfort.

USB-A CONNECTION
USB provides easy plug-and-play operation. Simply plug the USB-A connector into your computer and you're ready to talk, listen to music or play games.

System Requirements:

- Windows, macOS, or ChromeOS and popular calling platforms.
- Certified Works With Chromebook

- USB port

What's in the Box

- H340 USB Computer Headset
- User documentation
