Logitech H390 Black USB Computer Headset With Noise Canceling Mic

Product Overview

Logitech H390 Black USB Computer Headset With Noise Canceling Mic. The Logitech H390 USB Headset (model 981-000803) is a user-friendly wired headset offering crisp digital audio and a noise-cancelling microphone for clear online communication. Its plug-and-play USB design, comfortable adjustable headband, and inline controls make it a reliable choice for video calls, remote work, online learning, and casual gaming.

Specifications

Overview Summary

Product title: Logitech H390 USB Headset (981-000803)

The Logitech H390 USB Headset (model 981-000803) offers reliable performance for clear online communication. With a simple plug-and-play USB connection and a noise-cancelling microphone, it enhances voice clarity during calls, meetings and gaming. Inline volume and mute controls ensure seamless audio management without disrupting your flow.

With padded comfort and adjustable headband design, it delivers long-lasting wear for work or study sessions. Fine-tuned audio drivers ensure quality sound for both speech and media, making it versatile for professional and personal use.

Performance tier: Mid-range consumer

Uses: Video calls, voice conferences, online learning, remote work, casual gaming

Overview

Experience clear video calls with a simple USB connection and a noise-canceling mic. Inline controls to adjust volume or mute without interrupting calls. Fine-tuned drivers for enhanced digital audio.

Description

The Logitech H390 USB Headset delivers reliable performance for users seeking clear, uninterrupted audio communication. Its noise-cancelling boom mic filters ambient sound, making it ideal for shared or busy environments. The adjustable headband and plush ear cushions help maintain comfort during prolonged use, whether for long meetings or continuous remote learning.

Setup is effortless: simply connect the USB-A plug to your device and you're ready to go. The inline controls for volume and mute keep audio adjustments within easy reach, eliminating unnecessary distractions. With performance suited to business calls, classroom interaction and casual gaming, the H390 balances functionality, clarity and comfort.

Features

WORK BETTER, IN COLOR
Experience clear audio for video meetings, music, and beyond with a simple plug-and-play USB connection and a noise-canceling mic on your Logitech H390 headset. Easily tuck the mic boom out of the way when not in use. Inline controls let you control volume or mute without interrupting calls. Fine-tuned drivers deliver enhanced digital audio for work or play.

HEAR BETTER
Fine-tuned 30 mm audio drivers deliver enhanced digital audio for meetings, music, and more.

FIT BETTER
Adjustable headband features swivel-mounted, leatherette ear cushions for hours of comfort.

SOUND BETTER
H390 minimizes unwanted background noise for clear conversations. The rigid, left-side mic can be positioned for better voice capture. A rotating boom can be tucked out of the way when not in use.

CONNECT BETTER
Simply plug the USB-A connector into your computer and you're ready to talk or listen right away. The 1.9 m cable gives you the freedom to stand up and stretch during long conversations.

MEET BETTER
Handy inline controls on the cable let you adjust the volume or mute calls without disruption.

WORKS WITH CHROMEBOOK
H390 is certified for Works With Chromebook.

ESSENTIAL TOOLS. BETTER WORK.
Simple, powerful tools that deliver real work victories - even at home. Complete your setup with the right keyboard, mouse, headset, and webcam for better typing and navigation, plus superior audio and video-so you can conquer just about any task from home.

System Requirements:
Works with Windows, Mac, or ChromeOS computers via available USB port (USB-A or USB-C port, depending on the model you purchase). Compatible with common calling and video meeting applications.
