Enhance your audio experience further with the Logi Tune app, which allows customization of mic levels, EQ settings, and sidetone adjustments. Its eco-conscious design incorporates recycled materials, making it a smart choice for environmentally aware users. Shop now and enjoy versatile connectivity with multipoint Bluetooth, supporting up to six devices simultaneously.

Performance tier:Premium

Uses:Office calls, online meetings, multimedia listening, remote work, virtual collaboration

Overview:

Logitech Zone 300 Bluetooth Headset - Midnight Black

The Logitech Zone 300 is a versatile wireless headset designed to keep you connected and productive throughout the day. With exceptional audio quality, dual noise-canceling microphones, and lightweight comfort, it's perfect for both work and leisure. Its eco-conscious design also makes it a smart choice for sustainable living.

Description:

The Zone 300 headset offers clear communication, superior sound, and long-lasting battery life. Users can enjoy seamless connectivity with multiple devices, ultra-lightweight comfort for extended wear, and easy customization through the Logi Tune app. Its durable construction incorporates recycled materials, reducing environmental impact without compromising performance.

Features:

Seamless Communication with Noise-Canceling Microphones

Equipped with dual beamforming microphones, the Zone 300 ensures your voice comes through clearly even in noisy environments. Advanced noise-suppression algorithms minimize background sound, making calls and online meetings crisp and professional.

High-Quality Audio for Calls and Media

Dynamic 30 mm speaker drivers deliver rich, clear audio for calls, music, and multimedia. The headset is compatible with major calling platforms across Windows, macOS, iOS, Android, and other devices via Bluetooth, providing a reliable audio experience for every situation.

Stay Connected Anywhere

Zone 300 supports multipoint Bluetooth, allowing pairing with up to six devices and simultaneous connection to two devices. Move freely up to 30 meters in open areas while maintaining stable connectivity, whether at home or in the office.

Long-Lasting Battery for All-Day Use

Enjoy up to 16 hours of talk time and 20 hours of listening time on a single charge. A quick 5-minute charge provides up to 1 hour of talk time, so you're never caught off guard during important calls.

Comfortable and Lightweight Design

Weighing only 122 grams (4.3 oz), the Zone 300 offers all-day comfort with a padded headband and soft ear cushions. Its ergonomic design ensures minimal pressure for extended use.

Eco-Friendly Materials and Reduced Carbon Footprint

Logitech prioritizes sustainability by using up to 55% post-consumer recycled plastic in the Zone 300 (42% for Rose and Off-white models). Thoughtful engineering reduces approximately 1 kg of CO2 emissions per unit, equivalent to charging a smartphone 122 times.

Personalize Your Audio Experience with Logi Tune

The Logi Tune app lets you adjust mic levels, sidetone, and EQ settings to match your preferences. It's compatible with Windows, macOS, iOS, and Android. Keep your headset updated and join meetings with one click, ensuring a seamless, customized experience.
