Specifications

About this product

The HP 9SR36UT Wired Desktop 320MK Mouse and Keyboard combo enhances productivity with a comfortable full-size keyboard and precise red optical mouse. Featuring plug-and-play USB connectivity, LED indicators, and Copilot special keys, this durable wired set is ideal for office, study, and general computing environments.

Overview Summary:

Enhance your workspace with the HP Wired Desktop 320MK Mouse and Keyboard. Designed for comfort and efficiency, this full-size keyboard with three-zone layout pairs perfectly with a responsive, red optical mouse. Setup is simple with plug-and-play USB connectivity, making it ideal for professionals, students, and home users looking to improve daily productivity. Shop now and enjoy dependable performance with intuitive Copilot keys for smarter workflows.

Durable and easy to maintain, this combo withstands daily use while keeping your desk organized. The quiet, low-profile keys and ergonomic design reduce strain during extended typing sessions. Buy now for a reliable, high-quality keyboard and mouse set made to last.

Performance tier: Mid-range

Uses: Office work, online learning, content creation, general computing, productivity tasks

Overview:

HP Wired Desktop 320MK Mouse and Keyboard (9SR36UT)
Enhance your everyday productivity with the HP Wired Desktop 320MK Mouse and Keyboard. This reliable set combines comfort, performance, and convenience for both work and study, ensuring a smooth and efficient experience throughout your day.

Description:

The HP 320MK offers a seamless plug-and-play setup with responsive keys, a comfortable mouse, and intuitive Copilot special keys for AI-powered assistance. Designed for durability, it withstands regular cleaning and delivers dependable wired connectivity. Ideal for professionals, students, and home users looking for a balance of comfort, performance, and simplicity.

Features:

Comfort and Control
Experience comfortable typing with the full-size, three-zone keyboard layout featuring low-profile, quiet keys. The adjustable 6degrees slope supports a natural wrist position, while the number pad and arrow keys provide easy navigation. The contoured mouse fits either hand, making long hours of use effortless.

Simple and Reliable Connection
Get started instantly with plug-and-play convenience. Just connect the keyboard and mouse to your computer's USB ports-no drivers needed. LED indicators clearly show when Caps Lock and Num Lock are active, and the mouse's scroll wheel doubles as a third function button for added control.

Durable and Easy to Clean
Built to withstand daily use, this combo is designed for easy cleaning with select disinfecting wipes. Maintain a clean workspace and consistent performance without worry.

AI-Powered Productivity
Unlock smarter workflows with the dedicated Microsoft Copilot key. Access AI-driven assistance to streamline tasks, find answers, collaborate efficiently, and enhance creativity with text, images, and videos-all at your fingertips.
