Specifications

Overview:

SP150 Bluetooth Waterproof IP6 Speaker 12W LED TWS TF USB AUX MIC

True wireless 12W RMS speaker with IPX6 water resistance, 5.5hrs playtime, TF Card, AUX, Mic, and clear bass.

SKU: A14515-B

Experience unparalleled sound quality with the Thumping Clear Bass of our Bluetooth speaker. Designed with built-in 12W RMS speakers, this speaker delivers crystal-clear audio across all frequencies, ensuring that every note, beat, and vocal is rendered with exceptional sharpness and detail. The powerful bass enhances your music, movies, and calls, creating an immersive sound experience that feels both rich and full-bodied.

The latest TWS (True Wireless Stereo) technology enables effortless pairing of two speakers for a seamless stereo sound experience. Supporting smartphones, tablets, and laptops, it offers wireless connectivity with a 10-meter range for uninterrupted playback and richer, fuller sound.

Enjoy up to 5.5 hours of uninterrupted music playtime with these Mini Sound Blasters, all powered by just 3 hours of charging time. Whether you're at home or on the go, these speakers provide long-lasting audio enjoyment that keeps up with your active lifestyle.

The built-in microphone delivers crystal-clear, hands-free calling, perfect for conference calls or daily conversations. Enjoy versatile playback options with multiple modes, including Bluetooth, TF card, and AUX input.

Prepare for your next adventure-be it a poolside party, beach day, or shower karaoke. Featuring IPX6 dust and water resistance, these Bluetooth speakers handle splashes, spills, and light rain effortlessly. Their rugged design makes them the perfect companion for any setting, ensuring your music goes wherever you do without worry.

Featuring a vibrant LED ambient display, this device creates a captivating audio-visual experience that enhances the atmosphere and brings an extra layer of excitement to your parties, making every gathering more dynamic and memorable.

Features:

- Bluetooth Version: 5.3 for a stable and efficient wireless connection.
- Power Output: 12W delivering powerful and clear sound.
- Input Options: Aux input, TF card slot (128GB Max.), USB-C charging port.
- True Wireless Stereo (TWS): Pair two SP150 speakers for a true stereo experience.
- Built- in Microphone: Supports hands free calling for added convenience.
- RGB Colorful Ambient Light: Adds a dynamic and colorful light show to your music.
- Waterproof Rating: IPX6 making it resistant to water splashes and suitable for outdoor use.
- Battery Life: Up to 5.5 hours of playtime on a single charge, ensuring prolonged entertainment.
