Specifications

About this product

The Alcatroz Jellybean A5000 Macaron Wireless Keyboard and Mouse Combo (A5000MACARON) is a stylish rechargeable wireless keyboard and mouse set designed for comfortable everyday computing at home, in the office or at your workstation. It features a full-size 104-key keyboard with soft, silent membrane keys, UV laser-engraved key legends and a responsive 1600 CPI wireless optical mouse. With 2.4GHz wireless connectivity offering a range of up to 10 metres, an ergonomic lightweight design and rechargeable batteries, this Macaron colour combo helps keep your workspace neat and productive. Compatible with Windows, Mac, notebooks and desktop computers, it is ideal for typing, office tasks, browsing and everyday computer use. Buy the Alcatroz Jellybean A5000 Macaron wireless keyboard and mouse combo online today for a convenient desktop upgrade.

Overview Summary

Alcatroz Jellybean A5000 Macaron Wireless Keyboard and Mouse Combo

The Alcatroz Jellybean A5000 Macaron is a wireless keyboard and mouse combo designed to combine everyday functionality with a clean, coordinated desktop appearance. The full-size keyboard features 104 rounded, soft and silent membrane keys, including a numeric keypad for convenient data entry, document editing and office productivity. UV laser-engraved key legends are designed to resist everyday wear, while the lightweight design and dual-section foot brace help provide a comfortable typing angle.

The included 2.4GHz wireless optical mouse offers 1600 CPI resolution for responsive cursor control during work, web browsing and general computer use. Both devices feature rechargeable batteries, helping reduce the need for disposable batteries. With a wireless operating range of up to 10 metres and a USB wireless receiver, the combo provides a practical solution for compatible desktop computers and notebooks. Its Macaron colour finish adds a distinctive look to home offices, study areas and modern workspaces.

Performance tier: Everyday computing and office productivity

Uses: Office work, home computing, typing, document editing, web browsing, online learning, data entry, desktop computer setups, notebook use and everyday productivity

Description

The Alcatroz Jellybean A5000 Macaron Wireless Keyboard and Mouse Combo is designed for users who want a practical, comfortable and coordinated computer accessory set. Combining a full-size wireless keyboard with a responsive optical mouse, it provides the essential input devices needed for everyday computing without the clutter of separate wired peripherals.

The keyboard features 104 rounded membrane keys designed for soft, quiet typing. Its full-size layout includes letters, numbers, navigation keys and a numeric keypad, making it suitable for office applications, spreadsheets, reports, emails and general document creation. The Silver Plasma membrane key construction is designed for responsive operation and durability, with a rated lifespan of up to one million keystrokes. UV laser-engraved key legends help maintain readability through regular use.

The accompanying wireless optical mouse features 1600 CPI resolution to support responsive cursor movement and everyday navigation. Its four-button design provides practical control for browsing, working with documents and navigating applications. The ergonomic, lightweight design supports regular use at a desk, whether at home, in a study area or in a professional workspace.

Both devices use 2.4GHz wireless connectivity through the included USB receiver, with an operating range of up to 10 metres under suitable conditions. Built-in rechargeable batteries help reduce dependence on disposable batteries. Published specifications list a 300mAh rechargeable battery for the keyboard and a 500mAh rechargeable battery for the mouse, with charging times of approximately three hours for each device.

The Macaron colour finish gives the set a distinctive appearance that complements a variety of desktop setups. Compatibility with Windows, Mac, notebooks and desktop computers makes it a versatile choice for everyday productivity, online learning, browsing and home office use. For users looking for a full-size rechargeable wireless keyboard and mouse set, the Alcatroz Jellybean A5000 Macaron offers a convenient all-in-one solution.

FAQ

What is the Alcatroz Jellybean A5000 Macaron Wireless Keyboard and Mouse Combo?

It is a rechargeable wireless keyboard and mouse set featuring a full-size 104-key keyboard and a 1600 CPI wireless optical mouse in a Macaron colour finish.

How does the Alcatroz A5000 wireless keyboard and mouse connect?

The keyboard and mouse use 2.4GHz wireless connectivity through the included USB wireless receiver. A compatible computer with a suitable USB port is required.

What is the wireless range of the Alcatroz Jellybean A5000?

The published wireless operating range is up to 10 metres. Actual performance can vary depending on the environment and wireless interference.

Does the Alcatroz A5000 Macaron keyboard have a numeric keypad?

Yes. The full-size 104-key keyboard includes a numeric keypad, making it useful for spreadsheets, calculations, data entry and office applications.

Is the Alcatroz Jellybean A5000 keyboard quiet to type on?

Yes. It features rounded, soft and silent membrane keys designed to provide a quieter typing experience for home and office environments.

Is the Alcatroz Jellybean A5000 rechargeable?

Yes. Both the keyboard and mouse have built-in rechargeable batteries. The published battery capacities are 300mAh for the keyboard and 500mAh for the mouse.

How long do the Alcatroz A5000 keyboard and mouse batteries last?

Published operating times are up to 19 hours of continuous use for the keyboard and up to 25 hours for the mouse. Actual battery life depends on usage and operating conditions.

How long does it take to charge the Alcatroz Jellybean A5000?

The published charging time is approximately three hours for the keyboard and approximately three hours for the mouse.

Is the Alcatroz A5000 Macaron compatible with Windows and Mac?

Yes. The combo is listed as compatible with Windows and Mac computers, including compatible notebooks and desktop computers. Check your computer's available USB ports and operating system compatibility before purchasing.

Can the Alcatroz A5000 wireless mouse be used for gaming?

The 1600 CPI optical mouse can support casual gaming and everyday cursor control. It is primarily suited to general computing and productivity rather than specialist competitive gaming.

What are the dimensions of the Alcatroz A5000 keyboard and mouse?

The keyboard measures 440 x 142 x 36 mm, while the mouse measures 105 x 60 x 37 mm.

What is included with the Alcatroz Jellybean A5000 Macaron combo?

The package includes one wireless keyboard, one wireless optical mouse, one USB wireless receiver, one USB Type-C charging cable and one user manual.
