Product Overview

Aeno Sonic Electric Toothbrush DB6 - Black, 5 modes, Wireless charging, 46000rpm, 40 days without charging, 2 minutes timer, 750 mAh Battery capacity, IPX7 Water protection, 2 x brush heads, Wireless charging station

Specifications

Overview:

AENO DB6 Sonic Toothbrush

- Your smile is brilliant!
- 5 cleaning modes
- 46 000 vibrations per minute
- Wireless charging
- Up to 40 days without charging

Features:

x10 more effective than a manual brush

Sonic toothbrush removes far more plaque than a manual toothbrush from the surface of the teeth and along the gumline without damaging the gums or damaging the enamel

5 cleaning modes

Choose the best mode for you: ? lean, White, Sensitive, Massage or Gum Care depending on the specific need

Battery level indication

Keep track of your toothbrush's battery level with the LED indicator on the device body

46 000 vibrations per minute

As a result of high-frequency vibrations at a speed of 46 000 movements per minute, oxygenated fine foam is formed from toothpaste and biological fluids inside the oral cavity, which penetrates into hard-to-reach places and removes plaque

30 sec dental zone change reminder

The smart system provided in AENO toothbrushes will promptly remind you to change the brushing area 4 times every 30 seconds for more effective hygiene

Convenient wireless charging and storage station

AENO sonic toothbrushes come with a wireless charging base, so just leave your brush in the base station and it's always ready to use. Just 4 hours of wireless charging provides a full charge

Ideal for:

- Sensitive gums
- Braces
- Dental implants

DuPont - premium quality bristles

AENO toothbrushes use high-quality DuPont Tynex bristles, proven in the oral care industry for over 75 years. In clinical research, Tynex bristles show superior wear resistance and higher flex recovery than other materials. These bristles successfully cope with all the nuances: cleaning the interdental spaces and gums, removing plaque and antimicrobial treatment

Brush head change reminder

You will always know when to replace the brush head: as soon as the blue indicator bristles turn white, then the time has come

Easy to find your toothbrush

Icons allow the whole family to use AENO brand brushes with different attachments - just select an icon so that everyone

knows exactly where their brush head is located. It is simple and understandable even for children

Included:

- 2 x Brush heads
- Wireless charging station

Up to 40 days without recharging

One full charge provides up to 40 days of daily use or 90 days of standby time. Take your AENO toothbrush with you and maintain oral hygiene with comfort wherever you are!

Long-life materials

AENO sonic toothbrushes are made of durable, reliable materials. The device's body has protection against color fading and contains a solid metal stem inside
