Adata C906 16Gb Black USB 2.0 Flash Drive

Product Overview

Adata C906 16Gb Black USB 2.0 Flash Drive

Specifications

Overview:

The C906 is new to the ADATA Classic Series USB flash drive family, keeping the same classic look of its predecessor. Available in black and white, the C906 captures the essence of modern design and presents an overall style of minimalism with a touch of urban charm, making it not only a practical storage device but also a fashionable accessory that speaks to your individuality.

Features:

Design in Elegance
Weighing only 9 grams and measuring a mere 5.8 cm long, the C906 is an extremely compact USB storage device that provides easy portability of all your data. Designed with rounded corners and a glossy finish that gives it its eye-catching look, the ADATA C906 also features a handy snap-on cap design on the rear end of the device in order to prevent loss of the cap.

Room for Everything…and Then Some!
With capacities ranging from 4GB to 32GB, the C906 is made to suit everyone's needs. Its ability to store music, photos, your media library and even personal files, and the ability to transport and transfer them via high-speed USB 2.0 interface make this flash drive a must-have.
