Specifications

Overview:

The DashDrive UV110 is poised to appeal to those who are looking for an economical storage device which comes in a range of four charming colors.

Features:

Wider Range of Colors Go with Your Mood
Now you can sport a USB Flash drive that matches your place on the digital spectrum. The DashDrive UV110 is highly economical, and backed by the ADATA dependability and service that you can depend on. Choose a color that goes with your other gear, or even just your mood: Royal blue, floral white, light pink, and saddle brown bring new vivid hues to data portability.

Ultra Convenient Portable Storage
Sliding push out USB connector design prevents mechanism wear and tear. Gently push the slide out from the side of the connector, and plug directly into the USB port on your computer. No download or installation of drivers is necessary. After use, push back USB connector so that it is hidden within the body, and carry it with a sling or strap as you choose.
