Specifications

Overview Summary

The SonicGear AirPhone 3 Carbon Bluetooth Headphones offer a seamless blend of modern design and reliable performance. With Bluetooth 5.4 connectivity, a 40mm dynamic driver, and a lightweight frame, these headphones are tailored for everyday use, whether commuting, studying, or enjoying music at home.

Performance tier:Entry-level wireless audio

Uses:Daily commuting, casual music listening, video conferencing, online learning, gaming, and general multimedia consumption.

Description

The SonicGear AirPhone 3 Carbon Bluetooth Headphones are engineered to provide a balanced audio experience with their 40mm dynamic drivers, delivering clear highs and rich bass. The lightweight design, coupled with ultra-comfort ear cushions and an adjustable headband, ensures a snug fit for prolonged use. Whether you're commuting, working, or enjoying music at home, these headphones offer up to 14 hours of playback time, keeping you immersed in your audio without frequent recharging.

Features

Great for Travelling

Whether you're a jet setter or just taking the subway to work every day, a good pair of travel headphones can be a total game changer. Having something comfortable with great noise isolation makes your travels much easier and more enjoyable

40mm Dynamic Driver

Driver is the perfect fit to deliver next-level Sound

Bluetooth 5.4 Technology

Faster and easier connection, stable signal, low power consumption intelligently compatible for Android, iOS and Windows operating systems

Of Style and Comfort

Sleek design with multiple joints to maximise comfort from the free moving earcups and to prevent discomfort for long hours

What's in the Box
