Overview Summary

Product: Amplify Note X Series AM-1123-WTWT TWS Earphones + Charging Case - White

The Amplify Note X Series AM-1123-WTWT True Wireless Stereo Earphones are designed for users who want a compact and cable free audio solution. With a matching white charging case and white cover finish, these earphones provide portability and ease of use for daily listening, calls, and media streaming.

Built for convenience, the TWS design allows seamless wireless pairing with compatible devices, making them ideal for commuting, workouts, or office use. The included charging case helps keep the earphones powered while on the move, ensuring consistent availability throughout the day.

These earphones are suited for users looking for simple, functional wireless audio without complexity, focusing on mobility, ease of storage, and everyday practicality.

Performance tier: Entry-level consumer wireless audio

Uses: Music streaming, phone calls, online meetings, travel, workouts

Overview

Amplify Note X True Wireless Earphones are here to simplify your life and rid you of your cable struggles once and for all. Equipped with a multitude of accessories that make them perfect for just about any activity, and housed in a convenient Charging Case that gives you up to 14 hours of playtime.

Description

The Amplify Note X Series AM-1123-WTWT TWS Earphones combine wireless convenience with a compact charging case for easy portability. Designed in a clean white finish, the earphones offer a minimal and modern look suitable for everyday use. The true wireless design eliminates cables, allowing freedom of movement during calls, music playback, and media use.

The included charging case provides secure storage and on the go power support, helping extend usage throughout the day. These earphones are built for users who value simplicity, mobility, and quick connectivity across supported devices.
