AMONE1659FWU

AOC 15.6" Wide LED 8ms, 1366 x 768 Monitors

Product Overview

AMONE1659FWU, Black, AOC 15.6" Wide LED 8ms, 1366 x 768, USB Wall Mountable

Specifications

Overview:

16" class usb monitor, 1366 x 768 resolution and folded stand. Landscape or portrait view mode with auto-pivot, built-in displaylink technology.

E1659fwu is the perfect usb powered portable monitor accessory for laptop and computer. The widescreen monitor receives both power and signal via a single usb cable for plug-and-play connection; it does not require a power cord or vga cable, and comes with a removable base for maximum flexibility.

Aoc's new & improved portable usb monitor:

- Slimmer design
- Usb 3.0 connection for high transfer rates and high quality image
- Brighter panel with brightness control
- Vesa 75mm wall mount compliant
- Carry case included

Features:

Sleeker design, faster connections
The new and improved usb monitor from aoc is sleeker in design and faster with its usb 3.0 connection. The new usb 3.0 achieves high transfer rates with its total of six wires in the data cable, and delivers high quality images.

Designed with a piano-black glossy finish, this usb monitor has a 15.6 diagonally viewable image. The e1659fwu offers a 500:1 contrast ratio, 5ms response time, and a 1366 x 768 resolution @60hz.

The e1659fwu usb monitor has a foldable flexi-stand for viewing in landscape or portrait mode. Landscape mode is ideal for presentations and excel sheets, while the portrait mode conveniently gives you an easy vertical view of your instant messaging program, or sidebars such as search results. This monitor has the unique auto-pivot feature that automatically adjusts the image according to the display's orientation, so you will never have to change settings as you switch between landscape and portrait mode.

New design: thinner, lighter, portability at its best
It's ultra lightweight and slim for great portability, making it perfect for business presentations, the frequent traveler, photo frame applications, and dual monitor setups on-the-go. The e1659fwu usb monitor is the solution for the frequent traveler who needs to pack multiple displays, as it easily fits into a backpack or the carry case that comes with the usb monitor.

New design:
Vesa wall mount compatible
You gave your feedbacks and we have heard you! The new e1659fwu usb monitor now comes with vesa 75 x 75 mm mount compliant feature, allowing you to easily mount the usb monitor to any wall as long as you have the right wall mount arm and bracket.

Built-in displaylink technology for multiple usb monitors connection
If necessary, multiple usb monitors can be simultaneously connected to a single laptop to function as a multi-monitor pc or mac, thanks to the built-in displaylink usb graphics. Simply installing displaylink software on the pc or mac allows you to easily add multiple usb monitors for external displays without unnecessary extra hardware. The e1659fwu usb monitor gives you multiple external displays for your laptop without any complications
