Specifications

Overview:

The 19.5-inch AOC I2080SW handles all your home computing needs with excellent performance and sharp, clear imagery. Featuring an IPS panel, you'll enjoy accurate colors, wide viewing angles and impressive picture quality whether you're editing photos or just surfing the web. Fast 5ms response time eliminates blurring to deliver smooth action sequences for more exciting movies and games. This versatile home display makes the perfect addition to your home office or living room, and the integrated VESA mount also gives you the option to hang it on the wall. With the built-in VGA connector, you can hook up your computer and get started in just minutes.
