Specifications

Apacer Audio Steno AU851 - 8GB - RED

Elegant Touchpad, Ultra-Slim Design

The AU851 features the latest user-friendly designs, bringing its users the best audio and video experience in cutting-edge exterior and innovative features. Featuring an ample-sized 2.4 TFT LCD full-color display screen, the new AU851 is a treat to look at, whether using it to view video playback or photos after a trip, combining practicality and ease of use! The AU851's dimensions are at a mere 86 x 50 x 7.8 mm, and its ultra-light weight is at 39 grams, that makes it as the best traveling companion while on-the-go and gives truly enjoyable audio and video entertainment. The new AU851 utilizes elegant touchpad interface, allowing easy control when playing any video, photo, or audio selection. The ultra-slim body and the aluminum rear cover give this very unique MP4 player an elegant and sleek feel.

MP3/WMA playback, diverse equalizer modes

The AU851 has seven diverse equalizer modes in MP3/WMA playback: Normal, Pop, Classical, Rock, Jazz, Bass, and Custom Equalizer mode. This nice feature fits different types of music and gives that extra touch of variety to your listening experience. In addition, the A-B repeat and synchronization functions give the users even more audio options when using this magnificently versatile MP4 Player.

FM Radio and Digital Recording Capabilities

Besides its fashionable design and superior functionality, Apacer's AU851 also provides FM radio and digital recording capabilities. AU851 users can record both voice and broadcast content while using this nifty little MP4 player. AU851 also supports e-books and a user interface of 14 different languages, making it an extremely multi-functional audio-video gadget at incredible value. AU851 also comes with a free video conversion software for easy file format conversion.

High Capacity, Excellent Expandability

The AU851 combines stylish design elements and infinite possibilities of use with various peripherals. AU851 is available in the capacity of 2G, 4G, 8G and 16G, and choices of two colors:: Fuchsia and Sliver., AU851's connector on the side makes easy and quick connection with micro SDHC is another expandable task.
